Heart of Power: Rise of the Siren S. Giger,2017-11-11 It all begins with a choice S L Giger continues the phenomenal story of Nathalie and Alex in the amazing Heart of Power trilogy Once more your desire for an irresistible combination of romance and suspense with a supernatural twist will be satisfied What if you find out that everyone you trusted lied to you Nathalie abandons her Siren family and stands on her own feet supported by her human boyfriend Alex Will they be fine on their own Now that Alex knows about Nathalie s true identity which broke the biggest law in the magical world What consequences will they have to face On top of that a mysterious virus drowns the world in chaos and apparently Nathalie is the only one who can save them all Will loyalty and love force her to do unexpected things Rise of the Siren is a must read for fans of Twilight The Vampire Diaries and The Hunger Games Interview with the author Q What are the biggest challenges you faced while continuing this fantasy series A To combine my ideas in a way that make sense and at the same time making it an emotional story with compelling characters I wrote the first draft within one and a half months much faster than the first part of the series Afterward it was sometimes tough not to lose motivation during the rewriting phase which took the rest of the year Q What kept you going A I said that I would publish HOP2 one year after HOP1 and wanted to keep my word Plus I have an amazing launch team with beta readers It was always fun to try to implement their suggestions and they helped to improve the story a great deal Q What can the fans look forward to in Rise of the Siren A It s still a paranormal romance novel and so the love between Nathalie and Alex deepens and their relationship further develops We also learn more about Luke and Melissa s story and why he became a male Siren But the best thing is that there is a lot more magic in this book than in the first one We really dive into a different world with magical creatures and supernatural elements Harry Potter meets Divergent Q Who won t like your story A What do you mean Everybody will love this urban fantasy Okay it s not for people who want a dark story with a lot of sex The characters in Heart of Power face challenges and there is tension but it

s a teenage romance novel and therefore written without the use of graphic violence or sex but still with a lot of suspense around these mythical creatures Q Of course we are already waiting for the third part of the trilogy When will you have it ready A I hope that again I can write it within a year But first I need a break I will go travel in Asia some more and collect new ideas Myanmar is calling and I must go Plus I ll visit China the mother country of superstition and collect as much good luck as I can I need it in the publishing world so that people find my books with all the Amazon Bestsellers that are already around You can help by spreading the word and writing a good review Thank you Have a look at S L Giger s author page or blog which she writes as swissmissonstour for more information about her books and free preview chapters Keyword Categories of Rise of the Siren sirens mythical creatures paranormal romance novel indie author urban fantasy for teens fantasy novel for young adults fantasy novel 2022 Grab a copy of Heart of Power Rise of the Siren now **When You Hear a Siren** Janet Greer,2012-07 Lucy doesn t like sirens The sound hurts her ears That is until she realizes that the sound means people are getting help from community helpers Now instead of holding her ears when a siren sounds Lucy does something very special something she wants to share with others
