Choiceless Awareness J Krishnamurti, 2022-09-09 In this series of commentaries J Krishnamurti one of the great thinkers of our time touches upon many human problems our hopes our fears our illusions our beliefs our prejudices and in the simplest language seems to pierce to their roots The sheer simplicity is breathtaking The reader is given in one paragraph often in one sentence enough to keep him exploring questioning thinking for days Anne Morrow Lindbergh The insight spiritual and poetic of these commentaries is as simply expressed as it is searching in its demand Times Literary Supplement London Krishnamurti is no other than he seems a free man one of the first quality growing older as diamonds do but the gem like flame not dating and alive in these Commentaries It is a treasure Francis Hackett The New Republic

The Bhagavad Gita for Daily Living, Volume 3 Eknath Easwaran, 2020-11-10 A comprehensive manual for living a spiritual life based on a verse by verse commentary on India's timeless scripture from the author of its best selling translation This ebook includes all three volumes in this series The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil Faced with a dire moral dilemma the warrior prince Arjuna turns in anguish to his spiritual guide Sri Krishna for answers to the fundamental questions of life Easwaran points out that Arjuna's crisis is acutely modern The Gita's battlefield is the struggle for self mastery that every human being must wage Arjuna represents each of us and Sri Krishna is the Lord instructing us in eighteen chapters of lofty wisdom as we face the social environmental and global challenges that threaten our world today Easwaran is a spiritual teacher and author of deep insight and warmth His verse by verse commentary interprets the Gita's teachings for modern readers explaining the Sanskrit concepts and philosophy and applying them with practicality wisdom and humor to every aspect of our work our relationships and our lives With everyday anecdotes stories and examples he shows that the changes we long to see in the world start with the transformation of our own consciousness The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life They are accessible to people from all backgrounds and cultures Urging us to adopt a higher image of the human being he assures us that peace and unity are within reach Each volume of this series covers six chapters of the Gita Each may be read on its own but all three volumes together form an in depth verse by verse explanation of this ancient scripture and its relevance today Included are instructions in Easwaran's universal eight point program of passage meditation Volume 1 The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us Easwaran explains how we can begin to transform ourselves even as householders engaged in busy lives Volume 2 The next six chapters of the Gita go beyond the individual Self to explore the Supreme

Reality underlying all creation Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom and explains how the concept of the unity of life can help us in all our relationships Volume 3 The final six chapters put forth an urgent appeal for us to begin to see that all of us are one to make the connection between the Self within and the Reality underlying all creation Global in scope the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world Easwaran s commentary is for all students of the Gita whatever their background and for anyone who is trying to find a path to wisdom love and kindness in themselves and our troubled world Written as an authoritative accessible guide to a much loved scripture it is a handbook for finding peace and clarity within This second edition incorporates revisions made across all three volumes following the author s final instructions
