asked Ingrid how she would feel about him doing a Maine Big Year in 2021 spending an entire calendar year seeing how many species of birds he could find To do it right he'd have to retire early get his bad knees replaced and spend even more time training for his Big Year Ingrid immediately said I think you should do it Every Bird in Maine is a memoir of that Maine Big Year adventure The state record sat at 317 species Could he find 318 *Peloton Hacks* Mark A.
