Science Experiments Near Me Returns:

Return Ian Houston,2024-01-26 It is the year 2312 and the City covers most of the planet Street kid David North is a Super but his power moving strings wires and similar things with his mind isn t entirely under his control During a violent altercation with one of the City s notorious gangs he is saved from near death by a couple of Super teenagers who are students of an underground scientific research and training facility called Project Arete David immediately feels a curious connection with one of his saviors Sarah a young woman with glowing green bionic eyes During his recovery at Project Arete s hospital David is given the opportunity to join PA and warily he takes it Perhaps there finally off the City s streets he could learn more about his power and how to control it and more about Sarah But there is someone who doesn t want David to get too close to her And even though he is making lasting friendships as David spends more time at PA he discovers things are not exactly what they seem An ancient mystery is slowly unfurling and when David finds himself caught up in a 3000 year old betrayal he must confront impossible choices to protect the ones he loves But will his choices doom them all to repeat the mistakes of the ancient past The first book in the action packed Keystone Trilogy Return takes you deep inside a world where no choice is easy no answer is the right one and every step you take comes with great responsibility
