**China's Foreign Investment Law in the New Normal** Shen Wei,2022-12-29 This book analyzes China's new foreign investment law which came into force in January 2020. The new law implemented sweeping changes and overhauled China's foreign investment law regime of the last four decades. The foreign investment law aims to make the business environment more investor friendly and address some of the contentious issues between US and China in the ongoing trade war. The book explains how the law enhances regulatory transparency. It also outlines the new approval process that is the pre-establishment negative list system which has replaced the former approval system for foreign investment projects. The book also analyzes China's series of anti sanction laws. This book will help give readers a better understanding of major changes and benefits under the new law and will be the first of its kind looking at the implications of this important law.

**Strengthening Sustainable Digitalization of Asian Economy and Society** Ordóñez de Pablos, Patricia, Almunawar, Mohammad Nabil, Anshari, Muhammad, 2024-03-27 In the ongoing evolution of Asia's economy and society there is a crucial need to explore innovative conceptual frameworks empirical studies and case analyses. These endeavors aim to unravel the intricate relationship between digital transformation and the imperative for fostering a greener more circular and climate neutral Asian economy. Strengthening Sustainable Digitalization of Asian Economy and Society explores the intersection between digital technologies knowledge management and sustainable development. The book addresses the challenges and opportunities the digital age poses examining how advanced information technologies including artificial intelligence IoT and machine learning coupled with practical knowledge management can catalyze a transformative journey. Strengthening Sustainable Digitalization of Asian Economy and Society unravels how these digital tools and solutions impact the realization of the Sustainable Development Goals SDGs by 2030 offering invaluable insights for academics researchers industry players policymakers and stakeholders. This book emphasizes the ASEAN region providing an understanding of the regional nuances in the digital transition by presenting comparative regional studies including Asia Europe the USA Latin America Africa and the Gulf Region

**Internet Memes and Copyright Law** Brian Chun Lok Leung, 2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity. Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms. Following the European Union's Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re-creations that define internet meme culture. The book argues that this culture directly challenges copyright's core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes. Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio

cultural discourse without undermining copyright's foundational principles. Covering core copyright concepts such as authorship, idea, expression, originality, fair dealing, and user rights, the book provides a compelling argument as to how copyright can adapt to the digital age as a protector of cultural expressions, ensuring that internet memes are not only preserved but celebrated. The book will be of interest to researchers in the field of copyright law, the law of emerging technologies, and intellectual property law.

**International Marketing** Michael A. Merz, 2025-06-04

This comprehensive text provides students with a solid foundation in international marketing theory, research, and practice. Fully updated throughout, the book covers all the latest trends and topics, including e-commerce, digitalization, corporate sustainability, business ethics, corporate social responsibility, cryptocurrency, and the broader political and economic context. New international case studies and mini cases from the US, Europe, China, and Japan are incorporated alongside enhanced pedagogy to structure learning, such as chapter objectives, summaries, and discussion questions. Placing a unique emphasis on the importance of academic research, all academic references and marketing theories have also been updated. Demonstrating the complexities of marketing on a global scale, this well-regarded text should be core reading for advanced undergraduate and postgraduate students of international and global marketing, marketing management, and strategic marketing. Online resources include chapter-by-chapter PowerPoint slides, a test bank, cases, and discussion questions to accompany specific topics.

A former senior intelligence officer reveals how espionage is being transformed by a new global intelligence race driven by AI and competition with China and how this impacts all of our lives. The new global intelligence competition has brought espionage into our workplaces and our living rooms. Adversaries like China, Iran, and Russia have realized that the human element is the weakest link in our industrial and political infrastructure. As a result, they target all of us, stealing our financial data and medical records, eavesdropping on our conversations, and using platforms like TikTok and Hollywood movies to influence our opinions. **The Fourth Intelligence Revolution** reveals how the undercover adventures of World War II, the spy versus spy confrontations of the Cold War, and the find, fix, and finish counterterrorism missions after 9/11 have given way to the most dangerous period of espionage yet. This eye-opening account exposes how intelligence now permeates every corner of society, from economic espionage and genetic data gathering to information operations targeting children through AI chatbots, even extending to reconnaissance on the far side of the moon. Both a warning and a call to action, **The Fourth Intelligence Revolution** suggests that we are all, in essence, becoming intelligence officers and that citizens have both the power and responsibility to reclaim intelligence to safeguard and strengthen our democracy.

**TikTok Marketing for Viral Sales** Anastasia Olson, 2020-12-05. TikTok is the fastest-growing social media app in the world and one of the fastest apps to reach a billion subscribers in history. TikTok has also become one of the world's leading platforms for creativity, fun, and business. It offers an unprecedented opportunity for businesses to advertise their products to people. In reality, it is much more difficult and complicated to become successful. This is because TikTok's algorithm rewards content in a totally different way from other social media apps. Going viral on TikTok requires that TikTok's algorithm favors your content above those of the many millions on the app. So, how exactly can you succeed on TikTok? How can you make your contents go viral? How can you acquire thousands of followers? And how can you convert these followers to loyal customers for your business? This book provides all the answers and more. It is a thoroughly researched guide.

**TikTok for Sales Josué Matos, In the ever evolving digital landscape where trends shift at the speed of a click few platforms have reshaped the sales and marketing**

game quite like TikTok. What initially seemed like a space for fun and creative videos has become a powerful tool for brands seeking authentic connections with their consumers. Far from being a passing trend, TikTok represents a revolution in how products and services are promoted and sold online. This is the second book in a series designed to explore the potential of social media platforms for sales. While the first volume, *Instagram for Sales Strategies to Convert Followers into Customers*, focused on a well-established platform known for its visual and interactive appeal, this book dives into a dynamic and opportunity-rich terrain: TikTok for Sales. *Viral Strategies for Growth and Conversion* is an essential guide for anyone looking to harness the viral power of TikTok, transforming creativity into real conversions. With over 150 million active users in the United States alone and a global user base exceeding 1 billion, TikTok is not just a social network but a global stage where brands can shine by telling their stories in engaging and innovative ways. Through trends, challenges, short videos, or live streams, TikTok offers endless possibilities for entrepreneurs of all sizes to stand out in today's competitive market. In this book, I've explored every aspect of the platform, from setting up an attractive business profile to advanced sales strategies and performance analysis. Organized into 30 chapters, the content is tailored for both beginners and seasoned professionals, providing valuable and practical insights. You'll learn how to navigate TikTok's algorithm, create engaging content, leverage features like TikTok Shopping and hashtags, and build partnerships with creators to maximize your sales. As a digital marketing professional inspired by my international journey, I bring a global perspective to this work. My name is Josu Matos, author of over 50 books, including *Rich Uncle Poor Nephews* and *The Art of Reinvention*. With a decade of experience in digital platforms and a Bachelor's degree in Advertising, Marketing, and Communications underway, I have dedicated my career to helping entrepreneurs succeed in the digital world. My travels across Northern Ireland, Canada, and the United States have broadened my outlook and enabled me to develop innovative strategies which I share with you in this book. Get ready to discover how to turn creativity into conversions, trends into sales, and followers into loyal customers. Welcome to a new era of sales on TikTok. Together, let's explore this dynamic platform and take your business to the next level.
