Booktok Trending On Sale Open Now

Anthony Bernier, Shari Lee

Booktok Trending On Sale Open Now:

Young Adult Library Services Anthony Bernier, Shari Lee, 2024-04-26 Finally a single volume that comprehensively introduces and addresses the most pressing issues and opportunities in young adult teen library services Perpetually in the shadow of service to children and historically riven by fractious relationships between public and school libraries young adult services continue to suffer inadequacies and inequities of all kinds Consequently this area of specialization remains without the capacity to build the institutional political cultural or professional influence needed to grow and develop beyond ritual and repetition Young Adult Services Challenges and Opportunities COYAS begins to address these inequities by preparing professionals In COYAS LIS youth services instructors especially those in the United States and Canada will find a single broad and diverse engagement with scholars and acknowledged experts on the most pressing issues confronting YA services today Students at both graduate and undergraduate levels will benefit from the field tested topics delivered through accessible treatments Practicing YA and youth librarians will appreciate the support and evidence based analysis they likely found lacking in their MLIS programs Earnest youth advocates will value the pursuit of issues beyond cliché and perpetual crash course entry level conversations In addition instructors and students will both value the brevity of concisely focused chapters sectional introductions as well as the study guide questions that conclude each chapter Content areas include history and critical engagement with foundational concepts in YA services current practices regarding challenges and opportunities as well as forward leaning issues for future development of the field COYAS will ultimately empower librarians in delivering professional grade information services to improve the quality of young people's experience in this important cultural institution

Inside Book Publishing Angus Phillips, Giles Clark, 2025-02-28 Now fully revised and updated for its seventh edition Inside Book Publishing is the classic introduction to the book publishing industry The book provides excellent overviews of the main aspects of the publishing process commissioning authors product development design and production marketing and sales Angus Phillips and Giles Clark offer authoritative and up to date coverage of all sectors of the industry from commercial fiction to educational publishing and academic journals They reveal how publishers continue to adapt to a fast changing and highly interconnected world in which printed books have proved resilient alongside ebooks and the growth in audio The topics explored include AI social media in marketing sustainable book production open access for research and diversity equity and inclusion International case studies from industry experts give perspectives on for example comic books children's picture books women in Indian publishing and the Korean literary wave As a manual for those in the profession and a guide for the publishers of the future this book remains a seminal work for anyone with an interest in the industry It will also be of interest to authors seeking an insider's view of this exciting industry The book is supported by online resources including a glossary a further reading list and links to a range of online resources available at www.routledge.com
