Routledge Handbook of Football Marketing Nicolas Chanavat, Michel Desbordes, Nicolas Lorgnier, 2017-03-27 Football is big business. The top teams and leagues in world football generate billions of dollars in revenue and serve an audience of billions of fans. This book focuses on the marketing of football as the apex of the contemporary football industry. Drawing upon key theories and concepts in sport marketing it highlights the critical strategic and operational elements that underpin effective marketing in football clubs around the world. From the English Premier League to Major League Soccer this handbook addresses the most important developments in sponsorship marketing, communications, digital marketing strategies, customer relationship management and social media. Written by a team of leading football marketing experts it presents the latest cutting edge research in case studies from countries including the UK, USA, France, Spain, Germany, Italy, China and Japan. The only up to date book on football marketing written from a truly international perspective the Routledge Handbook of Football Marketing is an invaluable resource for any researcher or advanced student with an interest in football marketing as well as all marketers working in the professional football business.

Social Media and Society Regina Luttrell, Adrienne A. Wallace, 2021-04-07 *Regina Luttrell and Adrienne A. Wallace present an engaging introduction of social media's integration with modern society. Recognizing categories of relational, societal and self while analyzing the social media environment this introductory mass communications textbook establishes a framework for understanding how technology, culture, democracy, economy and audience fragmentation interact with each media industry differently and relate to media literacy. Armed with this knowledge future professional communicators gain a better understanding of their audience and the level to which their strategies influence the public. Social Media and Society empowers students as consumers and creators of social media and illustrates that while the tools of communication have changed the goals of social connection and influence have not. Features of this unique text include the following: Relational, Societal, Self boxes provide a framework for analysis of media and society. In Theory boxes attaching theory to practice, Learning tools and enhanced pedagogy such as Learning Objectives, Chapter Wrap Up, Critical Thinking Questions, Media Sources and End of Chapter Activities, Comprehensive Glossary of key terms, Full color visuals capturing key trends and*
