An intimate viewing**

Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching Netflix s Bodyguard simply didn t fade out of my mind it made me a little uneasy I felt compelled to try and find out what was so compelling in there The investigation then became a bit of an obsession in itself which no doubt ran away with me sometimes turning into some dubious lanes here and there Nonetheless it was enjoyable as I hope it is for you too to read Without knowing the whole first season six hours none of this will make sense to you So watch first then enjoy reading the thematic and psychological theories about it For plot theories or discussion of realism plausibility of the action parts look elsewhere My purpose was to look for meaning staying in the characters points of view for a lot of the time rather than to find fault The meaning offered by a completed work is usually not identical with what was intended by its makers And meaning doesn t always emerge by design sometimes things just fall into place Every interpretation that s well reasoned is justified and can be challenged by further argument This is just one viewer s view Summary Part I The main character p 2 assumes that underneath the bodyguard s professional demeanor there is a very sensitive and even childlike soul and it shows up in his body quite a lot if you know where to look We delve into reading the bodyguard s mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity Part II The relationship p 11 tries to draw near to what gets this unlikely pair together at all a theory being that for him it is a very bodily need but not primarily a sexual one associated with his stress disorder This part further points out that their relationship is visually described by two beautifully handled guiding themes the touch of their hands and their partly only symbolic embraces Part III The finale p 21 describes a striking analogy between the bomb vest around David s body and his inner mental powder keg of trauma hurt and the stress of covering it up It deals with death tombs and the underworld a bit like in Greek drama and after having been there getting back to life

Popular Culture in South Asian Context Akshaya Kumar, Raj Thakur, 2025-11-10 The volume examines popular sensibilities via textual visual performative spatial digital frames of inquiry and critical social political issues in South Asia It highlights the interface between cultural studies and its

popular political standpoints and interrogates the kaleidoscope of popular imaginary as well as its conceptual problematics through distinct case studies from the region. It leads learners towards the unfounded territories of popular culture studies in South Asia. With chapters by major scholars in the field, the book uses theoretically comprehensive and empirically varied case studies to re-evaluate the central questions of epistemology, methodology and approaches to popular culture studies from non-Western cultures' perspectives. Lucid, accessible and nuanced, the chapters in the volume will be an invaluable reference source for scholars, researchers and students in the humanities, liberal arts, cultural studies and South Asian studies.

Business Week, 2003 **How to Think about Data Science** Diego Miranda-Saavedra, 2022-12-23 This book is a timely and critical introduction for those interested in what data science is and isn't and how it should be applied. The language is conversational and the content is accessible for readers without a quantitative or computational background, but at the same time it is also a practical overview of the field for the more technical readers. The overarching goal is to demystify the field and teach the reader how to develop an analytical mindset instead of following recipes. The book takes the scientist's approach of focusing on asking the right question at every step, as this is the single most important factor contributing to the success of a data science project. Upon finishing this book, the reader should be asking more questions than I have answered. This book is therefore a practising scientist's approach to explaining data science through questions and examples. **The Little Vintage Carousel by the Sea** Jaimie Admans, 2019-04-03 What if one moment could change your life forever? Ness has almost resigned herself to being single forever when she catches sight of the most gorgeous man she's ever seen on the train to work. **Screen Digest**, 2005 **The Value Line Investment Survey**, 2008 Economics Today Miller, Roger LeRoy, 2005 *Single & Ready for an Arranged Marriage* Thendral Uthaman, 2024-09-28 Maya's ready for a change. She has spent three years in a dead-end job and it's time to pursue something more creative, something fun. She just needs to break this to her parents. Her Tamil immigrant parents. But it turns out Maya's parents are ready for a change too. They've decided it's time to get her married. She's 25, after all. They tell her the process will feel like a family-approved dating process where everyone gets a say and they promise her it won't be a forced marriage. She can't see how they're supposed to agree on a husband for her when she can't even agree with her mum on a saree. Still, Maya's tired of swiping left or right for romances with the lifespan of fruit flies. So after much careful deliberation, she gives in to her parents. Maybe this could be her chance to find the one. It will be fine. Right. Except what starts as a hopeful search for love soon spirals into a whirlwind of speed-dating, societal expectations and all the chaos of navigating your twenties. With the pressure building up, Maya soon finds herself questioning if she's falling into exactly what her parents promised: it wouldn't be a forced marriage. Will Maya find love or be able to live the life she dreams of?
