writer Ed Willes takes an irreverent look back at the sometimes thrilling often infuriating and always fascinating history of the Vancouver Canucks Cheering for the National Hockey League s Vancouver Canucks over the last half century has required patience commitment and a forgiving nature It s not that the Canucks have been uniformly awful or dreadfully predictable Far from it as this past season would attest But every time they seemed close to delivering the ultimate prize to their fan base the indomitable faithful they slipped on a banana peel and tumbled straight into the abyss Most of their failings were self inflicted The franchise s ownership history is as uneven as its won loss record But some have been so random and so accidental the faithful can legitimately wonder what they did to anger the hockey gods It started in 1970 with a spin of the carnival wheel which gifted Hall of Fame centre Gilbert Perreault to the Buffalo Sabres and left the Canucks with Dale Tallon And it s continued uninterrupted for over 50 years For decades veteran Vancouver hockey writer Ed Willes has had his own vantage point on this team that has in his words been haunted by dark and unnatural forces since its inception And Willes s knowledge extends far beyond the most infamous chapters of the story As this irreverent often bitterly funny chronicle shows the litany of woe stretches back farther and runs deeper than many Canucks fans realize and stars several of the biggest names in hockey history Willes s account tells the story of a uniquely confounded franchise and its obsessive followers who have thus far been denied the thrill of a Stanley Cup championship Their consolation has been the dubious comfort of wallowing in collective misery *USA Today Index* ,1996 *Entertainment Design* ,2001 Hoover's Handbook of Private Companies Hoover's Incorporated,2001-03 **Hoover's Handbook of Private Companies 2003** Gary Hoover,Hoover's Incorporated,2003-03 This manual examines 900 nonpublic US enterprises including large industrial and service corporations like Milliken hospitals and health care organizations such as Blue Cross charitable and membership organizations including the Ford Foundation mutual and co operative organizations such as IGA joint ventures such as Motiva government owned corporations such as the United States Postal Service and major university systems including The University of Texas System *U.
