Tiktok In The Us Sign In:

Media Literacy in Action Renee Hobbs, 2024-10-14 There's never been a more important time for students to develop media literacy competencies. When students ask critical questions about the media they consume, they develop fundamental knowledge and critical thinking skills that prepare them for life, work, and meaningful citizenship. *Media Literacy in Action* addresses learners who are simultaneously active as both creators and consumers of media messages. At the same time, the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide. To thrive in a media-saturated society, people need to ask critical questions about what we watch, see, listen to, read, and use. This book gives students those tools. Key features of the second edition: Critical examination of AI technologies, algorithmic personalization, data privacy, and surveillance, and the increased global regulation of digital platforms. Attention to media literacy for empowerment and protection. Inquiry-oriented approach to learning that cultivates intellectual curiosity and creative expression. Full color presentation with figures and photos to increase student engagement. Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories, connect students with the discipline of media literacy. *Media Literacy DISCourse* NEW Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples. *Learning in Action* NEW Summary and vocabulary sections combine with Analyze, Create, Reflect, and Act activities to empower students to apply ideas from each chapter. Supplemental Materials available at www.mlaction.com. Students can review key ideas, learn about more Media Literacy Trailblazers, and watch videos aligned with each chapter. Instructors can access a Teacher's Guide of best practices, in-class activities, homework, and projects. Also available are chapter summaries, lecture slides, YouTube playlists, and test materials.

"I Have Nothing to Hide" Heidi Boghosian, 2021-07-13 An accessible guide that breaks down the complex issues around mass surveillance and data privacy and explores the negative consequences it can have on individual citizens and their communities. No one is exempt from data mining by owning a smartphone or using social media or a credit card; we hand over private data to corporations and the government. We need to understand how surveillance and data collection operates in order to regain control over our digital freedoms and our lives. Attorney and data privacy expert Heidi Boghosian unpacks widespread myths around the seemingly innocuous nature of surveillance, sets the record straight about what government agencies and corporations do with our personal data, and offers solutions to take back our information. *I Have Nothing to Hide* is both a necessary mass surveillance overview and a reference book. It addresses the misconceptions around tradeoffs between privacy and security, citizen spying, and the ability to design products with privacy protections. Boghosian breaks down misinformation surrounding 21 core myths about data privacy, including: Surveillance makes the nation safer; No one wants to spy on kids; Police don't monitor social media; Metadata doesn't reveal much about me; Congress and the courts protect us from surveillance; There's nothing I

can do to stop surveillance By dispelling myths related to surveillance this book helps readers better understand what data is being collected who is gathering it how they're doing it and why it matters **A Philosophy of Communication of Social Media Influencer Marketing** Kati E. Sudnick,2023-11-28 Social media influencer marketing emerged in Web 2.0 as a new form of celebrity endorsement in which the Internet famous create word of mouth marketing for brands and organizations on their personal social media pages blurring the line between organic and sponsored content for their followers This book explores social media influencer marketing through the lens of philosophy of communication with a praxis centered approach Kati E Sudnick utilizes a multitude of theoretical touchstones including Christopher Lasch's narcissistic culture Marshall McLuhan's global village Daniel Boorstin's human pseudo event Jacques Ellul's propaganda and the interplay between charismatic leadership and parasocial relationships in order to consider consequences surrounding Hannah Arendt's social condition which appears in hyper form within social media influencer marketing as a major integrated marketing communication tool Sudnick applies these concepts to three major case studies surrounding Audible BetterHelp and Fyre Festival drawing implications and conclusions for this integrated marketing communication tactic in an era entrenched within the banality of the social Ultimately the author argues for a more aware and conscientious public when it comes to engaging with influencers online Scholars of communication philosophy and media studies will find this book of particular interest ***Social Media Strategy*** Keith A. Quesenberry,2020-08-14 This book is a blueprint for the practice of marketing communications advertising and public relations in a digital world where the consumer has taken control

Theological Discourses on Social Media Christopher B. Barnett,Clark J. Elliston,Trevor B. Williams,2025-08-29 Theological Discourses on Social Media will examine ten different social media platforms across three overarching parts The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology On the whole the volume will focus on the Judeo Christian tradition though dialogue with and insight from other religious traditions will also be featured The upshot will be a unique theological engagement with the defining issue of our era a work that will be as relevant as it will be engrossing Featuring contributions from leading scholars it will be a must read for all students of theology religion and media and cultural studies **The Emerald Handbook of Computer-Mediated Communication and Social Media** Jeremy Harris Lipschultz,Karen Freberg,Regina Luttrell,2022-06-27 Uniquely relating social media communication research to its computer mediated communication foundation as well as digital and emerging media trends this handbook is an indispensable resource whether you're a graduate student or a seasoned practitioner

No More Mediocre Laura Danger,2026-01-06 From licensed educator and TikTok phenom Laura Danger an insightful and practical guide that will teach you how to recognize unproductive dynamics at home transform your relationships find your community and break free from a life of mediocrity Ever had the feeling your spouse is totally capable of doing that simple household task Ever felt so burned out you want to hide in the bathroom while your home devolves into chaos All of us

are running a race against a culture telling us we need to be more to hustle more and that we should be doing it all ourselves It's a cycle that needs to be broken and in this book Danger an experienced educator facilitator and domestic equity advocate sets out on a path of unpacking the inequity and rage in the erasure of domestic labor and care to guide readers toward a healthier and more balanced life Organized into seven chapters covering topics like harmful stereotypes and communication models as well as the nag paradox and weaponized incompetence No More Mediocre asks why we make light of deeply problematic dynamics and who wins when we buy into them Drawing from case studies including nontraditional intentionally developed family structures and her own experience with mental illness and the demands of work and family life Danger provides communication models and actionable steps you can take to restructure your household and thrive at home and with partners in a chaotic world A battle cry for better Laura Danger shows that there are countless practical ways to maintain bonds beat back against the status quo and to meet our own and one another's needs because we all deserve more than mediocre

studies and performance studies **The Fight for Tiktok** Tracie T Franks,2023-03-29 The popular video sharing app TikTok came under fire from the US government in 2020 owing to concerns about its Chinese ownership and the potential threat it posed to national security As a result the Trump administration issued an executive order effectively banning TikTok in the US unless it was sold to a US based company ByteDance TikTok s parent company initially challenged the ban in court claiming that it was not based on credible evidence and would violate the company s right to due process However a federal judge granted an injunction against the ban in September 2020 citing concerns about the government s authority to prohibit internet activity A higher court later overturned the injunction in December 2020 but the ban was never fully implemented due to ongoing legal challenges and negotiations Meanwhile TikTok continued to operate in the United States albeit with some restrictions and increased government scrutiny TikTok tentatively agreed to sell its US operations to Oracle and Walmart in November 2020 which was seen as a potential solution to the ban However when the Biden administration took office in January 2021 this agreement was put on hold and the future of TikTok in the United States remains uncertain TikTok is still available in the United States as of early 2023 and is one of the most popular social media platforms in the country However the battle over its ownership and potential national security risks remains a contentious and divisive issue
