America s worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status The country is under siege and America s most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that s replacing America s meritocracy

tracing its origins in academia and shining a light on the havoc it has wrought over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly

Eisgruber,2025-09-30 In this forcefully persuasive book Joyce Carol Oates the president of Princeton reveals how colleges are getting free speech on campuses right and how they can do better to nurture civil discourse and foster mutual respect Conversations about higher education teem with accusations that American colleges and universities are betraying free speech indoctrinating students with left wing dogma and censoring civil discussions But these complaints are badly misguided In Terms of Respect constitutional scholar and Princeton University president Christopher L. Eisgruber argues that colleges and universities are largely getting free speech right Today s students engage in vigorous discussions on sensitive topics and embrace both the opportunity to learn and the right to protest Like past generations they value free speech but like all of us they sometimes misunderstand what it requires Ultimately the polarization and turmoil visible on many campuses reflect an American civic crisis that affects universities along with the rest of society But colleges Eisgruber argues can help to promote civil discussion in this raucous angry world and they can show us how to embrace free speech without sacrificing ideals of equality diversity and respect Urgent and original Terms of Respect is an ardent defense of our universities and a hopeful vision for navigating the challenges that free speech provokes for us all The Skeptical Inquirer ,2009 *Game Informer Magazine* ,2009 Urb ,2007-07 *Adweek* ,2009-05 *Sophia and the Corner Park Clubhouse* Davina Bell,2019-05-01 The Corner Park Clubhouse For Belle it s an empire For Lola it s a canvas For Maisie it s a refuge For Sophia it is home Sophia and her lifelong best friends Belle Maisie and Lola are reunited at their old favourite hangout the Corner Park Clubhouse after their first term at different high schools But it soon becomes obvious that in spite of pinkie swears and promises they re drifting apart The one thing keeping them together is the clubhouse which holds special memories for each of them and after what happened there last summer it means more than anything to Sophia So when they find out it s going to be bulldozed the girls set out in a race against time to save it and their friendship from demolition From beloved author Davina Bell comes this sparkingly funny and heartfelt middle grade series for fans of Friday Barnes and Ann M Martin s iconic Baby Sitters Club series **The New York Times Magazine** , **Defining Medievalism(s)**.
