**Social News** Edward Hurcombe, 2022-02-25 This book is the first to define and describe social news a new kind of journalism emerging in response to social media Drawing on the author s extensive research into news and social media platforms Social News critically examines the rise of well known outlets such as BuzzFeed and Mic in the US and Junkee and Pedestrian in Australia Hurcombe argues that these outlets became successful by strategically engaging with social media producing sociable content personalised for millennials Such outlets have been criticised for violating the rules of quality journalism However this book shows how social news has provided a platform for marginalised voices and has been able to engage readers neglected by legacy news While social media is frequently seen as a threat to the news industry Social News shows that digital platforms have been driving new forms of journalism ones that challenge our understanding of what journalism is can be and should be

**Fast Politics** Laura Pérez Rastrilla, Pablo Sapag M., Armando Recio García, 2023-10-17

The goal of this book is to show the role of TikTok as a tool for political purposes To this end the authors analyse the messages posted on this social medium by political figures and institutions such as politicians and political parties their impact on political landscapes as well as the transformation of political communication techniques in order to suit the platform s features In the last two years the exponential growth of TikTok has led an increasing number of politicians and institutions to incorporate it into their communication strategies The platform displays some very different features from other social media that determine the way in which the content is presented In addition it manages to reach an audience that normally does not access or share political messages Within this context the volume pursues two main objectives First to examine how the communication techniques and the peculiarities of this social medium where short videos with actors in informal attitudes prevail affect the political message A second objective is to analyse the influence of the messages distributed through TikTok that redefine political scenarios and of the relationships of politicians and parties with voters The core of the book comprises case studies that are organised into three parts with nine chapters in all The authors are scholars and practitioners of political communication with diverse geographical representation who approach the topics from a range of methodological perspectives The first part addresses the state of the art and the influence of TikTok features on the way political communication is performed The second part discusses the influence of TikTok on electoral scenarios and political culture in India Bangladesh the United States and Ecuador Finally in the third part TikTok is analysed as an instrument for promoting far right politicians and parties in Europe as in the case of Matteo Salvini in Italy and AfD in Germany and Vox in Spain The volume is oriented to both scholars and communication professionals such as journalists communication consultants and speechwriters who want to become familiar with the platform learn about its political impact or wish to deepen their understanding of transformations in communication techniques and their adaptation to this growing social medium Chapter 2 The Moving Body as the Articulator Meme and Affective Link in Political Communication on TikTok is
