

Word Wall Routine

M- Introduce 3 to 5 words

T- Find spelling patterns within the words

W- Guess the Covered Word

T- Play with the words

F- Stand Up. Hand Up. Pair Up

The purpose of word study is to build up students' knowledge of features of words and high frequency words to help children become efficient problem solvers of words in reading and writing. Word work is to happen in isolation at times but most will occur within the context of reading and writing.
