Why Instagram Will Send Us To Prison De'von H, 2020 Not typical not the average Hollywood penitentiary scene. In this book you're getting nothing but the raw truth a first person look into the real genetic makeup of living behind bars. One thing I'm sick of is the fabricated censored B S on cable TV I used to watch things like Locked Up and Scared Straight gritting my teeth the whole 5 minutes I could actually hold my composure knowing America doesn't know the truth. Let's get something straight right now I haven't been to every jail in America but I have been to jail a few times I've come across people that never stepped foot past the window at the local police station. Guess what all these people have in common they think it can't happen to them. One idea that bugs the F out of me is when people say the words they deserve to be in there they must have done something wrong. The biggest joke is when people say I'm innocent and then you hear Yeah everybody's innocent. Let me say this this is not a joke it is very real and before you continue to be nonchalant you must first understand what actually goes on behind bars. You have to get a clear understanding of how and why innocent

people end up in jail by the boatload every day Yes every day this is not an every once in a while thing that you hear about on the news You know that thing when someone comes home after 50 years and gets a few thousand for their troubles after being wrongly fully convicted Ever hear the term out of sight out of mind Go to prison and when you get that letter from your wife that starts with I m sorry well you get my point Like I said this book is the raw truth it s what happens whether your innocent or guilty It s how and why criminals are made It s how the cookie crumbles and when the cookie crumbles you can t pick it up and put it back together again
