Small Garden Ideas for Growing Vegetables Norman J. Stone, 2014-09-09 Container Gardening Discount Bundle NOW NUMBER 1 BEST SELLER Introducing The Container Garden Not everyone has the luxury of a large garden in which to grow vegetables or fruit even flowers if that is your heart's desire By employing these container gardening methods however you

too can enjoy the fruits of your labours as you grow your own Tomatoes or vegetables Tomatoes are classed as a fruit in confined spaces either within the home or indeed outside on the patio What is included in this Container Gardening Bundle This gardening bundle includes two books Vegetable Container Gardening and Tomato Container Gardening Between them they cover the many aspects and advantages of growing vegetables including tomatoes in confined spaces Container Gardening is very similar to Raised Bed Gardening in that you are growing in confined spaces Many of the same principles apply with regard to growing compost or pest control for instance Perhaps one of the main advantages that container gardening has over the raised bed concept is that you can generally move around your containers so that they can take most advantage from the suns position As these two books overlap on some subject matters it is inevitable that some of the same material may well be partially repeated throughout this work What has to be borne in mind with this collection as with most book bundle s is that this is a collection of stand alone gardening books and so will cover the aspects needed to complete the individual books However it is intended that the amount of new material included in the individual books as well as the greatly reduced price compared to purchasing them individually will make up for this in some measure
