Contact, 1963 **The Decision** Vincent N. Scialo, 2017-07-12 What would you do if you stumbled upon a small fortune? For these six friends it was a decision they would all have to agree to. A decision of a lifetime should they keep it or return it to its rightful owner? If they choose to keep it, each of their lives would change dramatically. Unfortunately for some, not in a good way. For whoever decides to use the money or even share it with another loved one, wouldn't know the consequences they would soon face. If they did, they would run the other way. Danger was imminent. Once where they had all planned on living happily ever after without a care in the world, a new destiny awaits them. A destination that could be their fatal final path in life.
