Disney Pictures' Return to Oz ,1985 *Entrepreneurship* Heidi M. M. Neck,Emma L. L. Murray,Christopher P. Neck,2024 *The Quiet Before* Gal Beckerman,2022-02-15 A NEW YORK TIMES NOTABLE BOOK NEW YORK TIMES EDITORS CHOICE An elegantly argued and exuberantly narrated The New York Times Book Review look at the building of social movements from the 1600s to the present and how current technology is undermining them A bravura work of scholarship and reporting featuring amazing individuals and dramatic events from seventeenth century France to Rome Moscow Cairo and contemporary Minneapolis Louis Menand author of The Free World We tend to think of revolutions as loud frustrations and demands shouted in the streets But the ideas fueling them have traditionally been conceived in much quieter spaces in the small secluded corners where a vanguard can whisper among themselves imagine alternate realities and deliberate about how to achieve their goals This extraordinary book is a search for those spaces over centuries and across continents and a warning that in a world dominated by social media they might soon go extinct Gal Beckerman an

editor at The New York Times Book Review takes us back to the seventeenth century to the correspondence that jump started the scientific revolution and then forward through time to examine engines of social change the petitions that secured the right to vote in 1830s Britain the zines that gave voice to women's rage in the early 1990s and even the messaging apps used by epidemiologists fighting the pandemic in the shadow of an inept administration In each case Beckerman shows that our most defining social movements from decolonization to feminism were formed in quiet closed networks that allowed a small group to incubate their ideas before broadcasting them widely But Facebook and Twitter are replacing these productive private spaces to the detriment of activists around the world Why did the Arab Spring fall apart Why did Occupy Wall Street never gain traction Has Black Lives Matter lived up to its full potential Beckerman reveals what this new social media ecosystem lacks everything from patience to focus and offers a recipe for growing radical ideas again Lyrical and profound *The Quiet Before* looks to the past to help us imagine a different future

Stop Making Others Rich: How Authors Can Make Bank By Selling Direct Morgana Best, 2022-07-31 Do you want to have an author store and don't know where to start Or have one and don't know how to make the most of it Take back your power and control your author finances with an author store Your store is not just another retailer with the right store you can upsell retarget customers bundle products such as an ebook and a print book or whatever you like No more rules No more nastygrams No more spending most of your ad budget to subsidise retailers sending your readers to a page with other authors books on it With a store you can get paid now That's right now and not in 60 days And no more retailer cuts Ever wondered who buys your books Not any more Now you have data and depending on your storefront analytics This book answers questions such as What should you do when starting out Which storefront would suit Shopify Payhip WooCommerce PayPal button or one of the others What do you need to start a store and if you have a store how do you optimize it Do you really need to train people to buy from your store What about international sales tax It depends on buyer location not just yours Want to sell print but don't want to pay for print upfront handle stock or go to the Post Office And much more Such as Time to think differently about advertising And How to manage change in the industry Plus other insider tips USA Today Bestselling author Morgana Best started selling print direct in 1993 and ebooks as well as print direct from her websites in 2003 She wasn't alone In 2007 indie authors turned to the retailers but now the tide is turning back to selling direct Learn from an actual fiction author who has been selling direct for decades *Stop Making Others Rich: How Authors Can Make Bank By Selling Direct* is the definitive book on authors selling direct

The Trolls of Wall Street Nathaniel Popper, 2024-06-11 The dramatic story of an improbable gang of self proclaimed degenerates who made WallStreetBets into a cultural movement that moved from the fringes of the internet to the center of Wall Street upending the global financial markets and changing how an entire generation thinks about money investing and themselves Jaime Rogozinski and Jordan Zazzara were not what anyone would mistake for traditional financial power players But they turned WallStreetBets a subreddit focused on risky financial trading into one of the most disruptive

forces to bubble up from the fringes of the internet This crude and unassuming message board harnessed the power of memes and trolling to create a new kind of online community The group intertwined with the distrust and turmoil of our times and spoke to a generation of young men who were struggling to find their place in the world Deeply reported and fast moving The Trolls of Wall Street is the suspenseful story of the people who made and lost millions battling with each other and with Wall Street for power and status It is a sobering account of how millions of young Americans became obsessed with money and the markets casting a long and lasting influence over finance politics and popular culture [Bookishly Ever After](#)

Mia Page,2024-06-06 Enemies to lovers YES PLEASE I loved every second of this book Reader Review A modern day You ve Got Mail Reader Review Two rival bookstore owners One chance for a happily ever after **All in Her Head** Elizabeth Comen,2024-02-13 Finalist for the 2025 PEN E O Wilson Literary Science Writing Award USA Today Bestseller All in Her Head accomplishes a remarkable feat of storytelling By combining essential medical histories about women s bodies with all the narrative propulsion of a medical thriller Comen has written a must read compelling and important book Siddhartha Mukherjee Pulitzer Prize winning author of The Emperor of All Maladies and The Song of the Cell Wow This book will upend everything you thought you knew about your body while empowering you to make better decisions moving forward Through storytelling extensive research and easy recommendations Dr Elizabeth Comen has given us all a priceless road map to reclaim our agency Eve Rodsky author of Fair Play A surprising groundbreaking and fiercely entertaining medical history that is both a collective narrative of women s bodies and a call to action for a new conversation around women s health For as long as medicine has been a practice women s bodies have been treated like objects to be practiced on examined and ignored idealized and sexualized shamed subjugated mutilated and dismissed The history of women s healthcare is a story in which women themselves have too often been voiceless a narrative instead written from the perspective of men who styled themselves as authorities on the female of the species yet uninformed by women s own voices thoughts fears pain and experiences The result is a cultural and societal legacy that continues to shape the mis treatment and care of women While the modern age has seen significant advancements in the medical field the notion that female bodies are flawed inversions of the male ideal lingers on as do the pervasive societal stigmas and lingering ignorance that shape women s health and relationships with their own bodies Memorial Sloan Kettering oncologist and medical historian Dr Elizabeth Comen draws back the curtain on the collective medical history of women to reintroduce us to our whole bodies how they work the actual doctors and patients whose perspectives and experiences laid the foundation for today s medical thought and the many oversights that still remain unaddressed With a physician s knowledge and empathy Dr Comen follows the road map of the eleven organ systems to share unique and untold stories drawing upon medical texts and journals interviews with expert physicians as well as her own experience treating thousands of women Empowering women to better understand ourselves and advocate for care that prioritizes healthy and joyful lives for us and generations to come All in Her Head is written with

humor wisdom and deep scientific and cultural insight Eye opening sometimes enraging yet always captivating this shared memoir of women s medical history is an essential contribution to a holistic understanding and much needed reclaiming of women s history and bodies *American Book Publishing Record* ,1985 **Launch Your Inner Entrepreneur: 10**
