Brooke,Jason Phillips,Timothy Pollard,2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney s acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney s catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology

[Transformational Innovation in the Creative and Cultural Industries](#) Alison Rieple,Robert

DeFillippi,David Schreiber,2023-06-13 Interest in the management of creative and cultural organisations has grown at pace with the size of this sector This textbook uniquely focuses on how innovation in these industries transforms practice

Uncovering the strategic role of innovation for organizations in the creative and cultural sector the book provides readers

with practical guidance to help traverse seismic disruptions brought about by global health and economic crises. The authors examine how innovation in business models, products, services, and technology has disrupted the competitive landscapes of the arts world. Innovations are characterized as deriving from other industries as well as via exogenous shocks that privilege some companies over others. Case studies bring to life how innovation is used strategically in different ways around varying competitive forces. Enhanced by conceptual tools and replete with industry examples, this textbook is an ideal resource for students and reflective practitioners to understand how innovation can be a productive tool for transforming their own creative and cultural industry practice and performance during a period of rapid technological change and unprecedented societal challenge.

Leadership Strategies for the Hybrid Workforce: Best Practices for Fostering Employee Safety and Significance Ohlson, Matthew, Goel, Lakshmi, 2022-06-24 The global shift of the business world and the way the workforce navigates jobs is a powerful consequence of the global pandemic. Moreover, occupational health and safety initiatives are at the forefront of managerial discussions. Workplace trends show that the flexibility and adaptability demonstrated during the COVID 19 pandemic may prove to offer organizations new insights into employee recruitment, retention, and production.

Leadership Strategies for the Hybrid Workforce Best Practices for Fostering Employee Safety and Significance shares the strategies and best practices in making employees feel valued and significant, a key factor in both employee recruitment and retention and one that goes far beyond mere pay increases. It uses lessons learned from the COVID 19 pandemic to discuss these new organizational strategies. Covering topics such as digital change, employee significance, and organizational DNA, this book is an essential resource for business leaders, students, and educators of higher education, human resource managers, CEOs, managers, researchers, and academicians.

Electronic Commerce 2018 Efraim Turban, Jon Outland, David King, Jae Kyu Lee, Ting-Peng Liang, Deborah C. Turban, 2017-10-12 This new Edition of Electronic Commerce is a complete update of the leading graduate level, advanced undergraduate level textbook on the subject. Electronic commerce (EC) describes the manner in which transactions take place over electronic networks, mostly the Internet. It is the process of electronically buying and selling goods, services, and information. Certain EC applications such as buying and selling stocks and airline tickets online are reaching maturity, some even exceeding non-Internet trades. However, EC is not just about buying and selling; it also is about electronically communicating, collaborating, and discovering information. It is about e-learning, e-government, social networks, and much more. EC is having an impact on a significant portion of the world, affecting businesses, professions, trade, and of course, people. The most important developments in EC since 2014 are the continuous phenomenal growth of social networks, especially Facebook, LinkedIn, and Instagram, and the trend toward

conducting EC with mobile devices Other major developments are the expansion of EC globally especially in China where you can find the world's largest EC company Much attention is lately being given to smart commerce and the use of AI based analytics and big data to enhance the field Finally some emerging EC business models are changing industries e.g. the shared economy models of Uber and Airbnb The 2018 9th edition brings forth the latest trends in e-commerce including smart commerce social commerce social collaboration shared economy innovations and mobility
