Nfl Schedule Near Me Setup:

False Start: How the New Browns Were Set Up to Fail Terry Pluto, Terry Pluto one of Cleveland's top sportswriters takes a hard look at the first 5 years of the new Cleveland Browns franchise and doesn't like what he sees. This book chronicles the backroom deals, big money power plays, poor decisions, and plain bad luck that have dogged the venerable franchise since Art Modell skipped town in 1995. Legions of loyal fans stand by, waiting for a return to past glory. How much longer must they wait? Pluto sifts through the clues from the last five seasons and looks for answers. *The United States Football League, 1982-1986* Paul Reeths, 2017-04-17 One of the most ambitious and short-lived endeavors in professional sports history, the United States Football League was founded in 1982. Premiering with a spring schedule and an abundance of talent that included top rookies and National Football League veterans, the USFL gained national attention with broadcast and cable television contracts, controversial player signings, ownership battles, and an unsuccessful billion-dollar lawsuit against the NFL. The USFL folded after four years, yet represented the last major challenge to America's big four sports leagues: the NFL, the National Basketball Association, the National Hockey League, and Major League Baseball. Based upon extensive research and interviews with owners, coaches, players, and administrators, this book chronicles the league's formation, its three seasons of play, and its long-term effects on pro sports. *Franchise Football League* Dick Giebel, 1994-05
