Creating Business and Corporate Strategy Adyl Aliekperov,2021-06-13

Businesses need strategies that determine the direction of functioning and further development If a company deals with several multifaceted businesses each of them subsequently requires their own strategy The issue of strategy creation and realization is a key factor that must receive the closest possible attention In order to assure victory and be thoroughly prepared for various directions and situations that may arise companies create their own unique strategies This book is primarily aimed at suggesting the necessary repertoire of knowledge and skills for strategy creating with the help of the TASGRAM integrated system Thinking Analyzing Strategy Goals Risks Actions and Monitoring The main outcome of TASGRAM is a combined strategic table business strategy corporate strategy goals risks actions and monitoring Each element in TASGRAM has a concrete goal and it helps users become more focused Creating Business and Corporate Strategy An Integrated Strategic System offers a new tool for company strategy creation showcasing various cases and examples based on theory and practice Unlike the existing tools the suggested system of strategy creation is simpler and definite Its main purpose is to help create and further develop the created strategy making this book especially valuable to researchers academics practitioners and students in the fields of strategy leadership and management

Criminal Procedure Jefferson L. Ingram,2022-05-22 Criminal Procedure Theory and Practice 3rd Edition presents a broad overview of criminal procedure as well as a detailed analysis of specific areas of the law that require specialized consideration The third edition provides students with an updated comprehensive text written in reader friendly language to introduce them to the field of criminal procedure Significant edited legal cases are integrated into each chapter and comments notes and questions accompany each case This edition features a new chapter covering searches of Internet connected devices and electronic devices that may store personally connected data The chapter The Internet of Things introduces search and seizure concepts related to electronics In addition a section at the conclusion of each chapter How Would You Decide allows readers to examine the facts of a real case that contain some of the important concepts from each chapter The reader can compare the individual s personal resolution of the case with the way the actual court determined the issue Using a balanced text case format the author provides an overview of general criminal procedure as well as guidance for law enforcement actions that honor constitutional protections and comport with the rule of law Instructor support material prepared by the author is available on our website including lecture slides and instructor s manual with test bank as well as online updates on new case law in the area of criminal procedure This textbook is ideal for all criminal justice programs in both four year and two year schools especially those preparing future police officers as well as a reference for law students and attorneys

Management Communication James S. O'Rourke,2019-04-18 This textbook introduces students to the strategic communication methods that are crucial to master in order to develop into effective and ethical managers at all levels of business Effective

communication skills are necessary for success in the business world and O Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process This edition includes several classic and new features The strategic approach is integrated throughout the book allowing students to understand how a communicated message impacts the business as a whole Case studies throughout the book provide students with hands on experience of scenarios they will encounter in the real world The book includes at least three dozen fresh classroom tested cases An ethical thread is woven through the text demonstrating how ethical decision making can be applied in all aspects of communication Separate chapters on technology including social media intercultural communication nonverbal communication and conflict management provide students with the skills to building relationships and influencing stakeholders key skills for any manager A companion website includes comprehensive support material to teach this class making Management

Communication a complete resource for students and instructors *Federal Register* ,2013-05 The United States Patents Quarterly ,2012 **Encyclopedia of Social Media and Politics** Kerric Harvey,2013-12-20 The Encyclopedia of Social Media and Politics explores how the rise of social media is altering politics both in the United States and in key moments movements and places around the world Its scope encompasses the disruptive technologies and activities that are changing basic patterns in American politics and the amazing transformations that social media use is rendering in other political systems heretofore resistant to democratization and change In a time when social media are revolutionizing and galvanizing politics in the United States and around the world this encyclopedia is a must have reference It reflects the changing landscape of politics where old modes and methods of political communication from elites to the masses top down and from the masses to elites bottom up are being displaced rapidly by social media and where activists are building new movements and protests using social media to alter mainstream political agendas Key Features This three volume A to Z encyclopedia set includes 600 short essays on high interest topics that explore social media s impact on politics such as Activists and Activism Issues and Social Media Politics and Social Media and Popular Uprisings and Protest A stellar array of world renowned scholars have written entries in a clear and accessible style that invites readers to explore and reflect on the use of social media by political candidates in this country as well as the use of social media in protests overseas Unique to this book is a detailed appendix with material unavailable anywhere else tracking and illustrating social media usage by U S Senators and Congressmen This encyclopedia set is a must have general non technical resource for students and researchers who seek to understand how the changes in social networking through social media are affecting politics both in the United States and in selected countries or regions around the world Key Themes Opening Essays Celebrities and Pioneers in Social Media and Politics Congressional Social Media Usage Most Active Members Measuring Social Media s Political Impact Misuse of Social Media in the Political Arena Issues and Ethics Social Media Candidates and Campaigns Social Media Politics and Culture Social Media and Networking Websites Social Media and Political Unrest Social Media and Social Issues
