

JOHN 3:16

...he lifted up, ¹⁵ that whoever believes
in him may have eternal life. ¹⁶
For God so loved the world that
he gave his only Son, that whoever
believes in him should not perish but
have eternal life. ¹⁷ For God sent the
Son into the world, not to condemn the
world, but so that the world might
believe in him. ¹⁸ He who
believes in the Son has eternal life; he
who does not believe in the Son
will be condemned. ¹⁹ The Son
of Man is lifted up, that whoever
believes in him may have eternal life.

the most basic and essential teachings of the Bible **Systematic Theology** Alfred R. Malo, 2017-09-05 In a day where churches have forsaken the midweek Bible study and come together only on Sunday morning there is a lack of doctrinal teaching to facilitate growth in a believer The Bible tells us to study to show yourself approved unto God a workman that need not be ashamed rightly dividing the Word of Truth God's Word For those new in the faith or those who desire to know the Lord in a deeper way through continued study how is that possible The answer is through self study This book was written to be a tool to help you examine some of the foundational doctrines It is not written in scholarly language but in a way that will benefit learners at all stages of growth We will examine together what the Holy Scriptures teach on The Trinity The Word of God The Lord Jesus Christ and the Holy Spirit There is a wealth of knowledge in this volume when used as a guide for individual study or in a group that will help to set any believer upon the right foundation Back cover Basic Theology Charles C. Ryrie, 1999-01-11 Theology is for everyone Everyone is a theologian of sorts Theology simply means thinking about God and expressing those thoughts in some way But sloppy theology is a problem As Christians our thoughts about God need to coincide with what He has said about Himself in the Bible With his clear understanding of the Scriptures and unpretentious writing style Charles Ryrie has written Basic Theology for every student of God's Word from the devotional student to the seminary student Ryrie's name has become synonymous with dispensational theology and his texts on the subject invaluable to the Bible scholar Now Ryrie's Basic Theology is available to you from Moody Press the company that brings you the Ryrie Study Bible Featuring charts definitions and Scripture and subject indices Basic Theology will give you a clear and comprehensive picture of Ryrie's approach to systematic theology Its 94 chapters are arranged in outline style for easy reference Considerable emphasis is given to explaining the dispensational view of the end times **SCM Studyguide: Christian Doctrine** Astley Jeff, 2015-04-21 An accessible textbook for all engaging with Christian doctrine for the first time A valuable resource and suitable for all clergy and all training for ministry SCM Studyguide: Theological Reflection Judith Thompson, 2014-04-15 Practical in emphasis this textbook offers newcomers an introduction to understanding theological reflection and helps those training for ministry to explore which of the methods introduced best suits them and their particular situation SCM Studyguide: Philosophy and the Christian Faith Ben Pugh , 2018-12-04 The challenges that Western culture keeps posing to the Christian faith are ever new The goal posts keep changing This study guide will equip theology students to understand the culture shaping beliefs that are driving the kinds of questions it brings to faith It will be an historical overview of the key stages in the history of Western philosophy with each section carefully tracing the genealogical line of ideas and the Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be

applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship
