The Animated Dad Lorin Shahinian,Leslie Salas,2024-01-11 The Homer Simpson esque stereotype has been a persistent trope in cartoons since programming aimed directly at children and adolescents began Young viewers are exposed to the incapable and incompetent hapless father archetype on a regular basis causing both boys and girls to

expect the bare minimum of fathers while mothers hold the responsibility for all domestic and parenting work. Cartoons rely heavily on toxic stereotypes for ratings when in fact healthy representations of fathers are just as successful in maintaining viewership. Eleven essays written by scholars from around the world investigate the topic of fatherhood as it is represented in children's animated television shows. Main themes that emerge include absent and negligent fathers, single fathers, generational shifts within families, and raising the standard of fathering by creating secure bonds between father and child. The authors uncover problematic fathers, imperfect yet redemptive fathers, and fathers who embody idealized parenting traits through some of our most beloved animated dads. This collection demonstrates the impact that media representations of father figures have on young viewers and argues for better role models.

How to Pay Your Mortgage Off in 10 Years Serina Bird, 2023-07-25. Would you like to pay your mortgage off faster and have more money to enjoy your life? The average Australian mortgage is 601,797 over 30 years. Not only is this large—more than half a million dollars—but it's grown 36% over the past five years. This is daunting. For many people, it can feel like paying it off is impossible. But here's the good news: it is entirely possible to ditch your mortgage in ten years, and this book shows you how. In *How to Pay Your Mortgage Off in 10 Years*, bestselling finance author, money coach, and podcaster Serina Bird presents practical strategies, calculates the savings, and shares the steps she has used, and anyone can use, to become mortgage-free. In this life-changing book, you'll learn how to hit your mortgage hard and early, negotiate a lower interest rate, use micro habits to make repayments faster, cut down your spending with frugalista shopping habits, use your home to generate an income stream, keep motivated when the going gets tough. Not only that, but you'll also read about people who are actively smashing their mortgage and achieving their dream goals, showing you just how achievable it is.
