**Apple in China** Patrick McGee, 2025-05-13 THE NEW YORK TIMES BESTSELLER Absolutely riveting Peter Frankopan author of The Silk Roads Disturbing and enlightening Chris Miller author of Chip War Hugely important Rana Foroohar author of Makers and Takers A once in a generation read Robert D Kaplan author of Waste Land As Trump wages a tariff war with China seeking to boost domestic electronics manufacturing this book offers an unparalleled insight into why his strategy is embarrassingly naïve Apple isn't just a brand it's the world's most valuable company and creator of the 21st century's defining product The iPhone has revolutionized the way we live work and connect But Apple is now a victim of its own success caught in the middle of a new Cold War between two superpowers On the brink of bankruptcy in 1996 Apple adopted an outsourcing strategy By 2003 it was lured to China by the promise of affordable ubiquitous labour As the iPod and iPhone transformed Apple's fortunes their sophisticated production played a seminal role in financing training supervising and supplying Chinese manufacturers skills Beijing is now weaponizing against the West Investigative journalist Patrick McGee draws on 200 interviews with former Apple executives and engineers to reveal how Cupertino's choice to anchor its supply chain in China has increasingly made it vulnerable to the regime's whims Both an insider's historical account and a cautionary tale Apple in China is the first history of Apple to go beyond the biographies of its top executives and set the iPhone's global domination within an increasingly fraught geopolitical context **What Went Wrong** George R.

Tyler, 2013-07-16 Something has gone seriously wrong with the American economy The American economy has experienced considerable growth in the last 30 years But virtually none of this growth has trickled down to the average American Incomes have been flat since 1985 Inequality has grown and social mobility has dropped dramatically Equally troubling these policies have been devastating to both American productivity and our long term competitiveness Many reasons for these failures have been proposed Globalization Union greed Outsourcing But none of these explanations can address the harsh truth that many countries around the world are dramatically outperforming the U S in delivering broad middle class prosperity And this is despite the fact that these countries are more exposed than America to outsourcing and globalization and have much higher levels of union membership In What Went Wrong George R Tyler a veteran of the World Bank and the Treasury Department takes the reader through an objective and data rich examination of the American experience over the last 30 years He provides a fascinating comparison between the America and the experience of the family capitalism countries Australia Austria Belgium Denmark France Germany the Netherlands and Sweden Over the last 30 years they have outperformed the U S economy by the only metric that really matters delivering better lives for their citizens The policies adopted by the family capitalist countries aren't socialist or foreign They are the same policies that made the U S economy of the 1950s and 1960s the strongest in the world What Went Wrong describes exactly what went wrong with the American economy how countries around the world have avoided these problems and what we need to do to get back on the right track The Web Designer's
