This complete list contains 220 service words plus 95 high frequency nouns. These words comprise 80% of the words you would find in a typical children's book and 50% of the words found in writing for adults. These sight words flashcards aim for children to use them in context when they're reading. Since all of them are the words used most often in reading and writing, most children will be able to master a few sight words in Pre-K four years old. You can teach sight words with this effective flashcards. It can be used as sight words games for children who are encouraged to memorize as a whole by sight so that they can automatically recognize these words in print within three seconds without having to use any strategies to decode. Let's have your child spell the word out loud with the sight card, then repeat it. This will allow them to memorize how it is constructed.
