**Mergers, Acquisitions, and Other Restructuring Activities** Donald DePamphilis, 2017-07-12 Mergers, Acquisitions and Other Restructuring Activities: An Integrated Approach to Process Tools, Cases and Solutions, Ninth Edition is the most current comprehensive and cutting edge text on M&As and corporate restructuring available. It includes many of the most up-to-date and notable deals and precedent setting judicial decisions as well as new regulations, trends and tactics employed in M&As. The implications of recent developments such as negative interest rates on valuation and the backlash against globalization for cross border M&As are discussed. More than 90% of the case studies are new for this edition, involving deals either announced or completed during the last several years. It is comprehensive in that nearly all aspects of M&As and corporate restructuring are explored from business plan development to target selection and valuation to negotiation and post merger integration. It is cutting edge in that conclusions and insights are anchored by the most recent academic research with references to more than 160 empirical studies published in leading peer reviewed journals just since the release of the last edition in 2015. Teaches about the financial, legal, accounting and strategic elements of mergers and acquisitions by concentrating on the ways their agents interact. Emphasizes current events and trends through new and updated cases. Highlights international mergers and acquisitions activities.

**Global Corporate Finance** Suk H. Kim, Seung H. Kim, 2009-02-09 Global Corporate Finance, sixth edition, provides students with the practical skills needed to understand global financial problems and techniques. Retains the user friendly format of previous editions while offering expanded material on corporate finance and governance, international markets, global financial dynamics and strategies and risk management techniques. Each chapter begins with a real world case study to be explained by theories and research findings presented throughout the chapter. End of chapter mini cases further reinforce students' understanding of the material covered. This edition is supported by a comprehensive Study Guide and an Instructor's Manual available at [www.blackwellpublishing.com/kim](http://www.blackwellpublishing.com/kim).
