reason lies in the process of order fulfillment This process encompasses all the activities a company undertakes from the moment an order is received until the items are delivered including all customer services It comprises back office activities such as packaging delivery accounting inventory management and shipping as well as front office activities such as advertising and order acceptance Mediaweek ,2010-10 The Hollywood Reporter ,2007 The Michigan Journal ,2012 **Brandweek** ,2010-10 **Business Week** ,2008 The Jonesreport Plus ,2008 *Field of Bones* J.
