**Technical Communication for Engineers** Shalini Verma, 2015 Technical Communication for Engineers has been written for undergraduate students of all engineering disciplines. It provides a well researched content meticulously developed to help them become strategic assets to their organizations and have a successful career. The book covers the entire spectrum of learning required by a technical professional to effectively communicate the technicalities of his subject to other technocrats or to a non technical person at their proper levels. It is unique inasmuch as it provides some thoughtful pedagogical tools that help the students attain proficiency in all the modes of communication. Key Features Marginalia which are spread throughout the book to clarify and highlight the key points. Tech Talk passages which throw light on the latest advancements in communication technology and their innovative use. Application based Exercise which encourages the readers to apply the concepts learnt to real life situation. Language based Exercise Grammar feel or experience the concepts and theories learnt and thereby gain hands on experience. Walmart in the Global South Carolina Bank Muñoz, Bridget Kenny, Antonio Stecher, 2018-05-02 As the largest private employer in the world Walmart dominates media and academic debate about the global expansion of transnational retail corporations and the working conditions in retail operations and across the supply chain. Yet far from being a monolithic force conquering the world Walmart must confront and adapt to diverse policies and practices pertaining to regulation economy history union organization preexisting labor cultures and civil society in every country into which it enters. This transnational aspect of the Walmart story including the diversity and flexibility of its strategies and practices outside the United States is mostly unreported. Walmart in the Global South presents empirical case studies of Walmart's labor practices and supply chain operations in a number of countries including Chile Brazil Argentina Nicaragua Mexico South Africa and Thailand. It assesses the similarities and differences in Walmart's acceptance into varying national contexts which reveals when and how state regulation and politics have served to redirect company practice and to what effect. Regulatory context state politics trade unions local cultures and global labor solidarity emerge as vectors with very different force around the world. The volume's contributors show how and why foreign workers have successfully though not uniformly driven changes in Walmart's corporate culture. This makes Walmart in the Global South a practical guide for organizations that promote social justice and engage in worker struggles including unions worker centers and other nonprofit entities. Communicating Fashion Myles Ethan Lascity, 2021-03-25 Winner of the John G Cawelti Award for Best Textbook Primer. How did you decide what to wear today? Did you base your selection on comfort or style? Did you want to blend in or stand out or was it just the cleanest outfit available? We each make these decisions every day reflecting how we view ourselves and impacting how others see us. Our choices matter not just to us personally but also to the magazine editors brand ambassadors and trend forecasters who make a living by selling to us. Communicating Fashion introduces key concepts from the intersecting worlds of fashion and communication studies to connect how we all use

clothing to express ourselves and how media systems support that process In doing so Myles Ethan Lascity explores social cultural and ethical issues through the work of fashion journalism brand promotions and the growing role of online influencers as well as the impact of film television and art on self image and expression Key topics Advertising Branding and Fashion Retail Clothing Art and Cultural Significance Clothing as Group and Cultural Norms Clothing Identity and Interpersonal Communication Fashion News and Tastemaking Fashion Social Media and Influencers Meaning within the Fashion System On screen Clothing *Decisions and Orders of the National Labor Relations Board* United States.
