Abrasive, Soft and Ecological Kaustav Chakraborty, 2026-01-22 The book in an innovative way interconnects theology media and politics in order to understand masculinity in terms of everydayness virtual circulations cinematic projections musical ramifications and political assertions It not only opposes toxic Indian masculinity but also counterposes the vulnerable masculinities of feminine men and proposes reviving ecomasculinity and such other habitable masculinities The book tries to understand abrasive masculinity as a muscular mentality that drives Indian men to act in certain stereotyped ways Beginning with the anxiety of intimacy that an abrasive muscular mentality creates in relation to Indian men s belongingness with those who are projected as Other women and queer people the volume tries to understand the theological roots of abrasive masculinity along with its routed mediatized avatars Thereafter it shifts its focus to the vulnerable masculinity of soft men who are victimized on account of their effeminacy In an intersectional mode the plight of both feminine cisgender and gay men is critically discerned The book concludes with the counterculture of Indian YouTuber men who are detoxifying the mediatized Movement for Men s Rights in India along with revisiting the ecomasculine folk culture of indigenous India The author argues that in opposition to the culture of cancelling masculinity a habitable masculinity may be unfolded in order to enhance the social habitability of individuals irrespective of their gender and sexuality It deploys social media film music literature folk narratives and personal interviews as a means of interconnecting qualitative and quantitative methodologies The book will be useful for students researchers and teachers from the fields of Gender Studies Media Studies Sociology and Cultural Studies It will also appeal to those interested in the culture of masculinities in India

Performance and Human-Animal Entanglements Anna Wieczorkiewicz, Sylwia Siedlecka, 2026-02-12 The volume explores how nonhuman animal lives are entangled with human interests conflicts and desires highlighting the role of performance in these interactions Drawing on diverse case studies it unfolds across four thematic sections Training Animals Show Machines Artistic Experiments and Political Conflicts The book benefits readers by sharpening ethical and critical awareness of how animals are entangled in human culture from circuses and museums to art games and social media Its key features are a strongly comparative interdisciplinary approach and a focus on less studied regions and practices It delivers these benefits through carefully structured thematic sections and rich case studies that reveal hidden mechanisms of representation exploitation and interspecies exchange The book can be read as a coherent whole tracing different dimensions of human animal entanglements but each chapter also functions as a self contained case study The book is aimed at scholars students and activists in cultural and animal studies performance and media studies and

related fields as well as anyone interested in ethics and human animal relations Mastering the YouTube Algorithm P. Pattinson, *Mastering the YouTube Algorithm The Ultimate Guide to Building a Successful Channel Career* 2025 Edition by P. Pattinson is the definitive resource for aspiring YouTubers content creators and digital marketers looking to crack the code of YouTube's ever evolving algorithm *The Coming Light: An Exponential Leap in Biblical Numerology* David Harding, *Biblical Numerology and the divine intent* Though many Christians do not realize it by the very nature of their faith they are deeply involved in numerology It is prescribed in the Bible The fact that there are a whole lot of 7's in the Bible or that the numbers 12 and 40 are often repeated though acknowledged by all seems only half understood The spiritual truth of the Bible has literally changed the whole world yet for today's scientific mindset and even for most Christians Biblical numerology just doesn't make much real sense It will now This short book will examine the extraordinary phenomenon of Biblical numerology and its profound relation to modern physics relativity theory and cosmology The speed of light the fine structure constant the proton electron mass ratio and other physical constants are easily found using Biblical Numerology Finally the Wormwood Prophecy 99942 Apophis the fall of Babylon and the well known numerology of the Anti Christ will all be discussed as we examine the relevant scriptures in this most important of all books The Invisible Forces: Unveiling Hidden Influences on Decision Making Dr. Neelesh Kumar Maurya, 2025-11-18 *The Invisible Forces Unveiling Hidden Influences on Decision Making* by Dr. Neelesh Kumar Maurya What if the choices you believe are yours were never entirely your own What if unseen currents emotional social ancestral and cosmic were silently steering your every decision The Invisible Forces is a profound exploration of the hidden powers that shape human thought and action Blending psychology spirituality philosophy and lived experience the book reveals how fear memory desire culture belief relationships intuition and destiny quietly influence our judgement often more than logic or reason Rather than viewing decision making as a conscious act this book invites readers to rethink choice as a tapestry woven by forces both known and unseen It challenges long held assumptions and opens new pathways for self awareness clarity and transformation Thought provoking and deeply insightful this work appeals to thinkers seekers leaders scholars and anyone who has ever wondered Why did I choose this path Could I have chosen differently With reflective questions relatable examples and philosophical depth the book does not merely inform it awakens It encourages readers to notice patterns break conditioning and recognise the subtle energies shaping their direction in life If you are curious about the mind destiny and the silent architects of human behavior this book will not just speak to you it will stay with you From fear to faith memory to culture intuition to destiny this book reveals the silent architects behind human decision making Critical Approaches to Transmedia Storytelling in K-Pop Nicholas E. Miller, 2026-01-08 This volume explores how K-pop has evolved beyond a musical genre into a global cultural phenomenon with its own transmedia ecosystem arguing that the transmedial approach constitutes not merely a marketing strategy but a sophisticated artistic framework that redefines the relationship between music narrative and performance in the digital age
