and they had three boys together and bought a house Due to union obligations and taking care of the children he couldn t

afford to go back to school His life was focused on the children s education and work After the children graduated from

college and had successful careers he decided to go back to school to finish what he started After fifty plus years during

COVID time he went back to school and managed to graduate with honors He went to Purdue University Global where he got

himself a degree in business administration He was an exceptional student too Information in the book showcased that life

went both ways At certain times in life there would be no way out other times things would be floating smoothly At first the

future didn t appear very good for the young man in this country With hard work commitment and the support of a few good

people he managed to adjust certain things and at last create an exorbitant life for himself Things were challenging at the

beginning but he turned a bunch of negative stuff into positive ones Nevertheless I think that we need good tutors to teach us
