Fall with Me Becka Mack, 2024-07-31 From bestselling author and TikTok sensation Becka Mack comes the next book in her sizzling hockey romance series about a playboy defenseman and the team photographer who reforms him. Jaxon Riley is exceptional at three things: starting fights on the ice, picking up women post game, and going home to fulfill his role as the world's best cat dad. Relationships unfortunately missed the list. Lennon Hayes is supposed to be on her honeymoon. Instead, she's alone and single, vacationing next door to a surly tattooed man who ran his date off the resort. When a run-in at the bar results in a night of bickering and cocktails, she finds herself tumbling into bed with the enemy next door, then sneaking out before the sun comes up. Lennon's plan to start over in a new city is going great until she starts her new job. The job? The Vancouver Vipers' new photographer. And the defenseman scowling at her from across the room? The one-night stand she wasn't supposed to see.

again Good thing neither of them are looking for anything serious Right Jaxon may not be used to falling but if he s going to go he refuses to go alone If he falls he wants Lennon to fall with him *In Tandem With You* Ellie Jennings,2024-03-05 The plan was simple Pose as her fake fianc on Valentine s Day to put an end to her boss s unwanted advances She needed a hero and I was happy to oblige There s just one problem I m already falling for her Moving to Paris to start a cycling business has always been the end game and I m one phone call away from my dream becoming a reality But my ambitions hit a hairpin turn when I come face to face with Nora Turner my new dental hygienist and the woman I ve secretly been pining for She doesn t remember me from last summer but that doesn t stop her from accepting my offer to pose as her fake fianc when her boss gets a little too handsy And when he invites her to a Valentine s Day happy hour it s my job to accompany her and convince her colleagues that my feelings for her are anything but fake Shouldn t be too hard considering I haven t been able to get her out of my head To her this engagement might be a ruse but to me it s an audition for the real deal And when by some twist of fate we find ourselves traveling to Paris together I have a lot more planned than just seeing the Eiffel Tower I ve got one weekend to show Nora how much I want her and if Cupid s on my side turn this fake engagement into a real one
