Wedding at the Graveyard Nilton Bonder, 2025-04-01 For four decades Rabbi Bonder was immersed in spirituality and sought out by people who needed comfort He has now transformed some of these cases into fiction A Romanian woman resident of Copacabana wants to marry her dead fianc The discovery of a manuscript from the Inquisition written to defame a woman has the power to awaken lust and perversion in whomever reads it A boy who scares his parents with paranormal powers prepares for his bar mitzvah These are the subjects of Nilton Bonder's imagination in this collection of short stories He writes in the tradition of the best of Isaac Bashevis Singer Each story comes from a place bordering reality with the unusual and inexplicable revealing the little that's required to transform the ordinary into extraordinary With starting points from real situations including the author himself as a young man seriously bored in the house of Abraham Joshua Heschel each story moves into another reality Previously published in Portuguese
