orphanage It wasn't the best place At least not for someone like her Until one faithful night she met him He stopped the car  
The clutched on the blanket tightened as Raine wonder if she did something wrong She could feel it when Torak reached out  
his hand at her Will he hit me Raine shivered with that thought Torak pulled back the hoodie off her head and gently tucked  
her hair behind her ear Don't He said firmly I want to see you don't hide yourself The spirit of the guardian angel will breathe  
new life into human child Three guardian angels will be born into terrestrial world once again and the three of you will be  
their protectors Protectors Jedrek snapped In the end he stopped walking and turned his back to look at the moon goddess  
from far distance away his eyes glistening red with anger His wolf was livid Why do you think we will help Kace asked while  
narrowing his black obsidian eyes his wolf took control of him He was the youngest among the three and the less  
temperamental among them The three of them were cursed by Selene because of their ferocious action to gain supreme  
power and authority The moon goddess didn't bless them with a mate as a punishment of their atrocious way and forced  
them to involve in this deadly war with the demons You will turn us into a slave for those sickly creatures Torak asked  
incredulously Aren't you afraid that we will snap them into two The guardian angel was so fragile and they as lycanthropes  
didn't appreciate the weaknesses No you will not Selene said patiently You will not be their slave nor hurt them you will  
cherish them in every way possible Jedrek laughed menacingly upon hearing this they didn't care about the resurrected of  
the beast once they crossed their territory with or without the guardian angel he would tear their body apart I will be the last  
person they will see once I find them He was referring to both the guardian angel and the demon But the next voice from  
Selene was laced with mirth when she spoke You will not hurt your mate Session 1 chapter 1 394 Torak Donovan Raine
