Hazel Mendoza, Recruitment Manager

Bionit

2513 Arlington Avenue

Hanover, PA 17331

Dear Ms. Mendoza,

As a dedicated science student, I am excited to apply for Bionit's opening for a research assistant. I bring excellent documentation and data analysis skills that I believe make me an immediate asset to Bionit's goals and mission.

Throughout my academic studies, I have gained invaluable experience assisting five scientists with the development, completion and maintenance of study documents. My achievements range from preparing interview questions and summarizing results to performing literature reviews and submitting consistent progress reports. Previously, I was trusted to serve as a liaison between external and internal scientists, streamlining communication and information gathering by 34%. I am confident I can bring these same results and more to Bionit.

I greatly appreciate you taking the time to review my resume and consider my application. I would cherish the opportunity to discuss my ideas for implementing safe and cost-effective testing methods.

Best,
Eloy Nunes
