The 100 Ideas series offers teachers practical easy to implement strategies and activities for the classroom. Each author is an expert in their field and is passionate about sharing best practice with their peers. Each title includes at least ten additional extra creative Bonus Ideas that won't fail to inspire and engage all learners. This book is a brand new title in the bestselling 100 Ideas series providing primary teachers with strategies and activities to support the induction, assessment and learning of pupils with English as an additional language EAL. According to data collected by the Department for Education in 2016 over 20% of pupils in primary schools are exposed to a language other than English in their home, making this an essential resource for every teacher. EAL expert Chris Pim offers a range of ideas for use both in the classroom and to adopt as a whole school approach. There is an emphasis on using ICT throughout the book featuring advice on where to find the best software resources and websites. Ideas include setting up the classroom, parent conferences, cross cultural maths, effective questioning techniques and running a Young Interpreter Scheme. 100 Ideas for Primary Teachers Supporting EAL Learners is a treasure trove of adaptable ideas to use for pupils who are beginners and advanced learners of EAL.

Save the Earth Science Experiments Elizabeth Snocke Harris, 2008 Going green is a hot topic and a hot science fair project. Author and scientist Elizabeth Snocke Harris knows what impresses and she provides plenty of winning ideas along with step by step guidance to insure that the end result is a success. Show how to harness energy with windmills, make a biogas generator and create alternative fuels. Demonstrate green power with recycled paper, solar building and compact fluorescent light bulbs. Test the ozone, be a garbage detective and discuss how to reverse global warming. The importance of what children learn will go even beyond the science fair they'll have the knowledge to understand what's happening to Planet Earth and the desire to do something eco friendly every day.
