Single Sashimi Sushi Series 3:

Single Sashimi Camy Tang, 2008 Venus Chau is a high powered video game developer. Now she might be working for the man she's always hated but what if he's no longer the man she thought she knew. The third book in the Sushi series offers romance with the spice of ginger.

Weddings and Wasabi Camy Tang, 2021-02-14 After finally graduating with a culinary

degree Jennifer Lim is pressured by her family to work at her control freak aunty's restaurant. But after a family dispute Jenn is determined to no longer be a doormat and instead starts her own catering company. Her search for a wine merchant brings Edward Castillo into her life a tall dark handsome biker in form fitting black leather who's Hispanic to boot. It would be wonderfully wild to snag a man like that. Shy engineer Edward tentatively tries out his birthday present from his winery owner uncle a Harley Davidson complete with the trimmings. Jennifer seems attracted to the rough aggressive image but it isn't his real self. Is she latching onto him just to spite her horrified family? And if this spark between them is real will showing her the true guy underneath put it out? And what's with the goat in the backyard?

[Story Sensei Synopsis Worksheet](#) Camy

Tang, 2024-03-23 Has your fiction manuscript been rejected by literary agents or traditional publishing houses and you're not sure why? Do you feel something's off with your novel but you don't know what? Sometimes the problem isn't the writing it's the characterization or the overall story structure. If you think this might be a problem with your manuscript you don't want to pay for a freelance editor when you could fix those story elements yourself. The Story Sensei's Synopsis worksheet was designed as a way for fiction writers to not only write a synopsis but also doctor their own manuscript by utilizing a large scale bird's eye view of their stories. This different way of looking at your novel can often point out flaws in character arcs, major plot points and overall story structure. The exercises in this worksheet will ensure that your story structure has all the vital elements including character, external goal, internal, spiritual arc, obstacles, conflict, climax, resolution. This worksheet will guide you through writing your synopsis. Don't have a completed manuscript? No problem as long as you're familiar with the main points of your story you can still write a synopsis using this worksheet. It may even help you craft your story and fill in missing pieces as you write the synopsis. Camy uses examples from proposals for her own novels which garnered her contracts with Christian publishers Zondervan, HarperCollins and Love Inspired Suspense Harlequin. There is also a special section on spiritual internal arcs since Christian novels tend to have strong spiritual threads in the stories. Even if your story is not inspirational the internal arc section will help you outline a strong internal arc for your character or troubleshoot if the internal arc has some weaknesses. This version of the Synopsis worksheet includes Extra examples, Tips on trimming synopses, Exercises on chapter by chapter and character synopses. Also in this version is an appendix of extra articles including The 50 word elevator pitch, Story blurbs including the ones used in Camy's original proposal for her Inspirational chick lit Sushi series which she submitted to Zondervan. The basic structure of a proposal, The example of Camy's original proposal for her Inspirational romantic suspense Protection for Hire series which she submitted to Zondervan.
