Sketching Times Collectif:

Once Upon a Time Bruno Girveau,2006 In recognition of the significance of Walt Disney s contribtions to film and 20th century art the organizers of the exhibit sought to present the sources that inspired Disney and his artists and to present monder and contemporary works that reveal the ongoing influence of the Disney iconography Page 2 of cover   **Making Men Moral** Robert P. George,1995-04-06 Contemporary liberal thinkers commonly suppose that there is something in principle unjust about the legal prohibition of putatively victimless immoralities Against the prevailing liberal view Robert P George defends the proposition that moral laws can play a legitimate if subsidiary role in preserving the moral ecology of the cultural environment in which people make the morally significant choices by which they form their characters and influence for good or ill the moral lives of others George shows that a defence of morals legislation is fully compatible with a pluralistic perfectionist political theory of civil liberties and public morality   **Omnibus Films** David Scott Diffrient,2014-06-23 As the first book length exploration of internationally distributed multi director episode films Omnibus Films fills a considerable gap in the history of world cinema and aims to expand contemporary understandings of authorship genre narrative and tr

Critical Perspectives on Linguistic Fixity and Fluidity Jürgen Jaspers,Lian Malai Madsen,2019-01-15 This volume offers a critical perspective on current views on linguistic fixity and fluidity in sociolinguistics and highlights empirical accounts alternative to prevailing trends in the field Featuring accounts from a broad range of regional contexts the collection takes stock of such terms as polylingualism metrolingualism and translanguaging to question perceptions around multilingual and monolingual language use The book critiques the status of fluid language use as a more natural language practice and in turn its greater potential for corresponding social transformation demonstrating the value of linguistic fixity and the continuous debate between fixity and fluidity in multilingual speakers lives In providing these accounts the book seeks not to advocate for linguistic fixity or fluidity but to argue that sociolinguists pay close attention to the way both types of linguistic practice open up or close down avenues for social transformation This collection is a key reading for graduate students and scholars in sociolinguistics multilingualism and linguistic anthropology   **Time** Briton Hadden,Henry R.
