This is an audacious journey into the heart of the divine mystery, an unsealing of truths hidden in plain sight within the parables, the summons to repentance, and the elusive Keys of the Kingdom found in the Gospel. We will cast aside the encrustations of centuries of interpretation, the limitations of singular perspectives, and the divisions born of human understanding. Our quest is rooted deeply in the spirit of the ancient Heritage Kingdom of Nusantara, a land where profound spiritual quests have always intertwined with daily life, and where the search for divine wisdom has shaped civilizations.
