Submissive's Guide to BDSM Volume 1 Matthew Larocco,2016 What does it really mean to be a submissive or sub Much of what we see in BDSM practice especially in the mainstream focuses on how to become dominant and act like the ideal Dom or Master or Top However a lot of newcomers are confused as to how this works They vaguely understand that the submissive or sub or slave is supposed to obey But they don t understand the emotional dynamics or how to act like the ideal sub or even how to enjoy the experience That s what this book is going to teach you How to be a better sub and have a happy healthy BDSM lifestyle Here are just some of the things you will discover in volume 1 of Submissive s Guide To BDSM Why you want to experience punishment The science of pain pleasure Type of Doms to beware of How to

pick the right Dom just for you How to protect yourself from wannabe Doms and predators The right way to explore taboo fantasies in BDSM Type of limits and when how to use them How to communicate with your Dom Common mistakes new subs make How to train your Master How to fire your Dom if it's not working out And much more **Dom's Guide To**

Submissive Training Elizabeth Cramer, 2013-11-22 A Dom sub relationship doesn't just happen It is a finely crafted and designed system of expectations and joys In order for you and your submissive lady to fit one another and create a lasting happy union there must be a period of training It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself She will need to be trained for the best relationship to emerge Dom's Guide to Submissive Training was specifically written for doms masters It is designed to provide you with a step by step blueprint on how to train your new sub It goes from preparation all the way down to the closing ceremony including advanced techniques tips Training can be one of the most exciting challenging and fun parts of the relationship A well trained sub will not only serve you in the capacity you deserve but will have built up the two most important elements in any BDSM relationship trust and consistency Following the instructions in this guide will allow you to show yourself as a worthy master who is in control experienced and able to guide you both to the best possible life *Learning to Kneel* Cheshirecat _MMH, Master M. Hatter, 2017-02-04 A complete guide to making BDSM work This book covers a staggering array of topics in a far greater depth than seen in previous works on BDSM Along with providing an introduction for the novice who is seeking to discover how to enter into the world of BDSM it provides thoughtful articles from a diverse group of writers considering everything from talking dirty electric play how pain works through to detailed analysis of punishment funishment play This book is the one stop guide for submissives and would be submissives to explore their kinky identity **Bdsm**

Maxwell Diamond, 2018-11-21 A different and important take on the common How to train your Submissive BDSM books Are you an unsatisfied Submissive Do you want more out of your BDSM relationship Is your Dominant misbehaving Do you want to enter into the realm of sexual Submission and do you want to know how to get the most out of it You've come to the right place BDSM is a common occurrence that is practiced by millions of people under different parameters Many people are first introduced to the concept of BDSM kinks and fetishes through films television or social media This often leads people to having a skewed understanding of the lifestyle BDSM community and BDSM practices Many people believe that BDSM is in some way perverted or outside the realms of normal adult sexual activity This is not the case however as BDSM can take many different forms The media often portrays BDSM practitioners as untrustworthy and abusive this could not be further from the truth The media portrayal of BDSM often leads people to feel ashamed which leads them to not pursue their BDSM desires It is perfectly normal and healthy to want to be a Dominant or a Submissive within a BDSM relationship It is commonly believed that the relationship between a Submissive and their Dominant has elements of nonconsensual action and that the Submissive will be constantly or occasionally forced to act out sexual scenarios and sexually behave in ways they do

not desire It is commonly believed that the Submissive has no power in the relationship and no say on how they are treated This false idea will be challenged explained and explored within this book Within this book you will find a brief overview of what BDSM actually is and how you can apply it into your relationships This book also aims to shine a light on many of the common misconceptions held about BDSM Submissives and Dominants BDSM How To Train Your Dominant A Submissive's Guide To Training Their Dom Without Ruining The Power Dynamic Of Their BDSM Relationship by Maxwell Diamond is an essential gift for any Submissive wanting to take their BDSM relationship to the next level This book can also give a Dominant a good understanding of a Submissive This book includes sections on Consent Pain vs Pleasure Submission Domination Who holds the Power in a BDSM relationship Guidelines on keeping a BDSM relationship productive safe and satisfying Much more A perfect Christmas present for anyone into BDSM naughty sex kinks fetishes and Submission
