Sir John George Bourinot Victorian Canadian His Life Times And Legacy:

Sir John George Bourinot, Victorian Canadian Margaret Banks,2001-04-23 As clerk of the House of Commons Bourinot advised the speaker and other members of the house on parliamentary procedure he also wrote the standard Canadian work on the subject A founding member of the Royal Society of Canada he played a leading role during the Society's first twenty years Ahead of his time in writing intellectual history Bourinot was also an early supporter of higher education for women He was a man of contrasts an early Canadian nationalist as well as an imperialist In spite of the constitutional changes of 1982 there is still much in Bourinot's writing that is relevant today *Liberal Education, Civic Education, and the Canadian Regime* David W. Livingstone,2015-09-25 Reflections on the education some early Canadians thought necessary for citizenship and contemporary threats to that education **Royally Wronged** Constance Backhouse,Cynthia E. Milton,Margaret Kovach,Adele Perry,2021-10-27 The Royal Society of Canada's mandate is to elect to its membership leading scholars in the arts humanities social sciences and sciences lending its seal of excellence to those who advance artistic and intellectual knowledge in Canada Duncan Campbell Scott one of the architects of the Indian residential school system in Canada served as the society's president and dominated its activities many other members historically overwhelmingly white men helped shape knowledge systems rooted in colonialism that have proven catastrophic for Indigenous communities Written primarily by current Royal Society of Canada members these essays explore the historical contribution of the RSC and of Canadian scholars to the production of ideas and policies that shored up white settler privilege underpinning the disastrous interaction between Indigenous peoples and white settlers Historical essays focus on the period from the RSC's founding in 1882 to the mid twentieth century later chapters bring the discussion to the present documenting the first steps taken to change damaging patterns and challenging the society and Canadian scholars to make substantial strides toward a better future The highly educated in Canadian society were not just bystanders they deployed their knowledge and skills to abet colonialism This volume dives deep into the RSC's history to learn why academia has more often been an aid to colonialism than a force against it **Royally Wronged** poses difficult questions about what is required for individual academics fields of study and the RSC to move meaningfully toward reconciliation Questions of Order Peter Price,2021 Canadian Confederation has long been assessed as a political moment that created a new national entity This book breaks new ground by arguing that Confederation was an imperial event that generated new questions and ideas about the future of global political order *The Constitution in a Hall of Mirrors* David E. Smith,2017-06-30 Whether it's the first past the post electoral system or partisan government appointees to the Senate Canadians want better representation and accountability from the federal government Before reforms can be enacted however it is important to explore and clarify the relationships among Canada's three parliamentary institutions Crown Senate and Commons In *The Constitution in a Hall of Mirrors* David E. Smith presents a learned but accessible analysis of the interconnectedness of Canada's parliamentary institutions Smith

argues that Parliament is a unity comprised of three parts and any reforms made to one branch will whether intended or not affect the other branches Through a timely nuanced and comprehensive examination of parliamentary debates committee reports legal scholarship and comparative analysis of developments in the United Kingdom Smith uncovers the substantial degree of ambiguity that exists among Canadians and their calls for structural and operational reforms By illuminating the symbiotic relationship between the Crown Senate and Commons *The Constitution in a Hall of Mirrors* brings government reform closer to reality *The Canadian Historical Review* ,2002 *Victorian Periodicals Review* ,2005 *Canadian Books in Print* 2002 Marian Butler,2002-02 *Ontario History* ,2001 **Canadian Books in Print** ,2001 **Index to Canadian Legal Periodical Literature** ,2002 **America, History and Life** ,2002 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Current Contents** Institute for Scientific Information (Philadelphia),2002 **Acadiensis** ,2001 *Index de Périodiques Canadiens* ,2002 **International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences** ,2001 *Book Review Digest* ,2002 *Forthcoming Books* Rose Arny,2001-08 **Law Books Published** ,2001 *Canadian Abridgment* ,1985
