*CALLY AND MISSY, TWO M MISSY*, 2013-02-21 I guess this is a good place to end this book as once again you are caught up with the most unusual life that Cally and I share with our unusual family However once again my life with Cally never seems to be dull anymore In fact my life with Cally has never been dull it is just more exciting since we got married almost a year ago Milly has been progressing very well as her sissy maid self under the direction of Miss T As well Molly seems to accept and even enjoy milly better now Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them In other words if they do not like what Sir did and the District Attorney says it was wrong they just agree and give it no more thought I disobeyed a direct order from Cally for the very first time Cally let me know that that was unacceptable in a very painful and very humiliating way I don t think I will make that mistake again at least I hope not Cally and I went to the most unusual place in South America in cooperation with Lloyds of London the FBI and Interpol in an effort to find out why men were disappearing from FemDom Nation a community of Dominate women and male submissives FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males People from all over the world come there to enjoy their life style for a few days to a few weeks Submissive men can go their alone or with a dominate female Dominate women are welcome with or without a submissive male It was really a neat place and Cally and I had a very nice time However our time was cut short as a result of Sir getting arrested so we came home early and without meeting our objective in order to help out Sir and Ally Cally and I need to go back again to complete our mission but Cally decided to wait until after Thanksgiving

**Sissy Maid in the Mirror, Two** M. Missy,2012-08 As I noted at the end of the second book about my life Sissy Maid in the Mirror as a sissy maid to the six B I T C H S they did not turn out to be bitches at all and in fact were every nice to missy My training as their sissy maid continued thru Miss T Missy has come too really like and respect Miss T Missy had no romantic feeling towards Miss T however missy was more than happy to orally please Miss T upon command Missy had become extremely submissive to Miss T and actually enjoyed that feeling more and more at time moved along in spite of some of the severe punishments that she received Missy has struggled with her required chastity as missy is horny all the time However that horniness seemed to be channeled into enthusiastic service both in the form of housework and oral sexual services to Miss T and Miss Beth so it seemed that the chastity had a good purpose over all Well at least for missy s two Mistress s Miss Beth got her first ever spanking and missy found that to be a real big thrill as usually missy is the only one getting any spankings for everyone else to see Missy learned that she did not like to be whipped not even a little bit However missy s whipping did open her to a new experience blow jobs Missy found out that part of her sissy maid duties was to give a blow jobs to anyone Miss T decided she should blow At first missy really became repulsed by the idea but after Miss T had her whipped all of a sudden having a cock in her mouth did not seem like such a bad idea I got the shock of my life when just before Christmas when Jill and I got home we found that our Mom had changed our Dad into a sissy maid also Missy found it surprising and somewhat uncomfortable working side by side with her sissy maid Dad But missy quickly got use to it and enjoyed the company However Missy s biggest thrill to date was her growing relationship with Miss Beth Missy has learned over the past four months or so that Miss Beth was a lot like Miss T as Miss Beth gets real excited having a submissive and obedient sissy maid cater to her desires For missy though missy really liked Miss Beth and thought that the relationship between them could grow into something very nice and very special While with Miss T the relationship was all about missy s service to Miss T and the pleasure that both Miss T and missy got from the dominate submissive relationship Overall my thoughts in the beginning have held true Being the sissy maid for the 7 girls was better for missy three ways first it was much better living in that nice private house then in a busy dorm Second it satisfied missy s great desire to cross dress even if it was as a French maid Third it was much better than having to get an outside job to help pay for my collage expenses The only downside for missy was being punished So missy just needed to learn to be more obedient so she is not punished so often and then things would be even better for missy
