## **Your Individual Divinity Existing In Parallel Realities:**

**Your Individual Divinity: Existing in Parallel Realities** Liane Rich,2015-11-08 All realities are made up of vibrating energy You are a multi dimensional Being existing in more than one reality at any given time You may shift up to a higher version of you by focusing on a higher vibration To use another analogy say you have a game Each level reached within the game carries a reward It s not that you deserve or don t deserve the reward The reward or gift is always there on that particular level and you have simply accessed that level When you raise yourself to the level where the highest vibration realities exist you are going into a parallel reality a reality that is already alive The goal is to enter it and stay in it How You stay in the highest vibration or version of yourself and you are magnetically drawn to that parallel reality You live there also simultaneously you just haven t focused on that reality as you have been busy focusing on your current reality It s not a future but a now All parallel realities are here and now and they exist just as your current reality exists You may shift up to a higher version of you by focusing on a higher vibration Certain feelings give you a lift up to the next vibration Once you raise yourself to a higher vibration you are magnetically drawn into the next higher vibrational stream of reality You live where you choose to live by your choice of feelings Low vibratory feelings draw you into a low vibrating stream of energy or a low vibrating parallel reality You see everything is already created Everything that could possibly be imagined is already alive in the field of potentiality or the God force Nothing that exists is wrong or bad or right or good Everything absolutely everything is simply energy in movement Move your energy in the direction you choose You may climb up the stairs or down the stairs depending on which level of the mansion you wish to experience It s all just energy and you are simply on a tour of the mansion You come and go often and this is not your first nor your last time to visit Where would you like to go *A Pocket Guide for Lightworkers from Archangel Metatron* Ruth Anne Rhine,2018-11-08 You are about to experience a book that will assist you and all heart centered people in the years to come amid global chaos and confusion so as to maintain a perspective of peaceful living on a planet in a transitional phase into one of peaceful coexistence Do be aware that this book will enhance your lives and also your joy in living while at the same time expressing compassion and assistance to those who exist in turmoil *Divine Contact 2* Losara,2014-11-07 In this age of endless debate over which scriptures contain the correct guidelines for living a righteous life this book stands out as a breath of fresh air and intelligence Based upon the universal laws these answers to impossible questions rise above past misperceptions to reveal truth as it was meant to be understood clear pure and wise Presented here are some of the most controversial and poignant questions asked by man Is abortion a sin What causes cancer Who is right the creationists or evolutionists Where is my soul mate Is there life on other planets Who was Jesus What is my purpose *TRISMEGISTUS Truth Via Divine Revelation* Franklin Coolport,2020-04-08 strangest stories that make one question everything they held to be true **How & What to Pursue in Life** Yoon-Jeong Kim,2024-02-23 Why do I live as a small human being in this huge universe The answer to this question is simple and clear It

is to feel genuine happiness Then another question arises How and what makes one happy And this question cannot be answered right away Feeling genuine happiness is something that can t be achieved easily in this world where many complicated circumstances are intertwined In order to feel genuine happiness one must understand oneself know about the world and see through the universe You are the one who feels happiness you can t be happy simply by yourself and happiness is the universe s response to your choices This book contains the principles by which the universe responds to your choices It contains the very specific details This book elucidates the five constitutions of your mind to help you understand yourself and it explains the nine essences of how you communicate with the universe to help you understand your fate Based on such understanding it guides you to the path to happiness We ought to be happy because happiness is the fate as well as an obligation that we little human beings living in this huge universe have      *Blooming into Consciousness* Lynn

Hooper,2017-12-27 The final chapter in human life is recognising there is no end You will keep transforming and remoulding and changing into various forms in multidimensional lives You will not cease to be Your exit of thought trails will lead you to another great adventure once the cloak of death has been revealed as a falsehood Do not look back but forward into present understanding You are the master who has come into physical existence to purvey the human form You have become hidden under the illusion that the earths destination is the final resting place It is but an illusionary device to make you search for meaning and purpose in your existence to further know yourself Once you have mastered the physical you shall inherit the earth Look only to conscious evolution as a means to further adventures of the soul It is a glorious playground in the universe one that you have become adept at moving in if you did but know it So to our final words you are not of this world of human form but you are a part of it Your soul has a great game plan that is far reaching and is calling you to wake up and join in the fun Blooming into consciousness the evolution of your soul is a magnificent glorious adventure I hope you will join us there Namaste      **No More Secrets, No More Lies** Patricia Cori,2010-05-18 Building on the historical perspective that

characterized the previous book in the trilogy Atlantis Rising this final volume asks readers to remember that when they decided to come to this earth adventure blowing down the Establishment Walls would be a Herculean task But she adds Fall they would indeed Hastening this necessary next step in evolution to higher being says author Patricia Cori requires understanding the forces at work and how to challenge and conquer them No More Secrets No More Lies unmasks the lies that have been employed to disempower the human race while illuminating the tools necessary for those who intend to ascend with a revitalized Planet Earth Intended as a guide for overcoming the designs of the dark warriors and a blueprint for achieving the absolute freedom that is our true birthright as the super race of the realm this provocative book brilliantly integrates into a larger schema such issues as media manipulation racism dark forces crop circles our food and water and imminent extraterrestrial contacts with the cosmic unfolding of human awareness and the evolutionary activation of our complex DNA codes our blueprint to immortality      *Free Will and the Divine Nature of Humans* John/Stiles Talbot,2007

**The Divine Sting** Frederick Bauer,2016-01-08 Are beliefs in God and in the soul merely relics of pre scientific superstition After all in the twentieth and twenty first centuries the so called age of science we know that science can be proven by its fruits it helped us split the atom and put men on the moon Religious faith on the other hand couldnt accomplish these feats This conflict leaves modern day Christians challenged by materialist atheists who claim that faith in God has been discredited by modern physics and psychology The Divine Sting answers their challenge Contrary to what most Christians think belief in God and the soul need not remain matters of religious faith In fact it is the atheists themselves who ignore Einsteins shocking revelation about modern science that the physical universe including the human body and its brain have never been observed We have rather only observed mental effects whose source we can only guess at Atheists naive claims about scientific observation are themselves nothing less than an article of anti scientific faith By integrating facts traditionally segregated into categories of philosophy versus theology versus modern science The Divine Sting will assist you in discovering for yourself how to convert faith in God and belief in the soul into solid impregnable and justifiably certain science
