

OUR BRAND SIGNATURE

The **N** represents connection and a never-ending stream of stories to our subscribers. Simple and iconic, it instantly sparks brand recognition.

COLOR

The **N** symbol color palette always consists of two tones. This helps give it dimension and differentiate from the **N** within the full Netflix logo. The primary background for the **N** symbol is black. This is to emulate a premium cinematic feel as we continue to set the industry standard for original content.

CLEARING SPACE

The minimum clear space of the **N** symbol is half the width of the **N** ($X = N \text{ width} \times 0.5$).

CLEARING SPACE

In certain situations, the **N** symbol can also be used on a white or contextually colored background, as long as there is a 3:1 contrast ratio. Anything less may compromise visibility and is not recommended. Color contrasts can be checked [here](#).

AVOID

Avoid substituting the **N** from the wordmark for the symbol.

Avoid locking up the symbol and the wordmark.

Avoid using a white symbol.

Avoid using the symbol on a red background.

Avoid placing the symbol's shadow or adding other dimensional effects.

Avoid placing the symbol in a shape or container.

Avoid rotating the symbol.

Avoid using the logo on busy backgrounds.

Avoid using the symbol to replace a wordmark.
