How to Make a Mao Suit

Antonia Finnane, 2023-08-03 When the People's Republic of China was founded in 1949 new clothing protocols for state employees resulted in far reaching changes in what people wore In a pioneering history of dress in the Mao years 1949 1976 Antonia Finnane traces the transformation using industry archives and personal stories to reveal a clothing regime pivoted on the so called Mao suit The time of the Mao suit was the time of sewing schools and sewing machines pattern books and homemade clothes It was also a time of close economic planning when rationing meant a limited range of clothes made usually by women from limited amounts of cloth In an area of scholarship dominated by attention to consumption Finnane presents a revisionist account focused instead on production How to Make a Mao Suit provides a richly illustrated account of clothing that links the material culture of the Mao years to broader cultural and technological changes of the twentieth century

Complete Guide to Treadle Sewing Machines Reuben O. Doyle, 2016-12-04 As a sewing machine repair person for over twenty five years I've seen almost every problem that can happen with your home sewing machine I've seen people so frustrated with their new found treadle sewing machine that they were ready to set it aside for looks only just because they couldn't figure out how to use or operate it Normally the old treadles no longer have instruction books with them therefore it's up to the owner to try to figure things out Even a basic thing like putting on a new belt is an impossible task when you don't know where to begin and what steps to take to get it in the right position and secured properly If you stop and think about it the treadle machine is the machine all sewing machines of today were modeled after The electric motor was added to take the place of the foot power of the treadle machines The shuttle was changed from the bullet style to the present style of a small round flat shuttle directly under the feed dog and needle bar I've had many requests to try to locate an instruction manual for treadle sewing machines to no avail After years of request after request for information on treadle sewing machines I was finally talked into writing a book of general instruction for the treadle machine Keep in mind that there are many different styles brands and manufacturers of treadle sewing machines and some are made in other countries With that

in mind I could not include each of them specifically and cover the small differences they each may have therefore this book is written in a generic style so that the information could be applied to any treadle machine A Manual of Family Sewing Machines Singer Sewing Machine Company,1923 *Manual of Family Sewing Machines* Singer Sewing Machine Company,1914 Instructions for Using Singer Sewing Machine 15-125 Singer Manufacturing Company,Singer Sewing Machine Company,1956 **A Manual of Family Sewing Machines & Their Attachments ...** Singer Sewing Machine Company,1914 *The Continuing Study of Newspaper Reading* Advertising Research Foundation,1946 *Arkansas Farm and Marketing Bulletin* ,1930 Instructions for Using Singer Sewing Machine No. 15 Lock Stitch, for Family Use Singer Manufacturing Company, *Student's Manual* Singer Sewing Machine Company.
