

# Turgid Truth

'The great source of both the misery and disorders of human life, seems to arise from over-rating the difference between one permanent situation and another... Some of those situations may, no doubt, deserve to be preferred to others: but none of them can deserve to be pursued with that passionate ardour which drives us to violate the rules either of prudence or of justice; or to corrupt the future tranquility of our minds, either by shame from the remembrance of our own folly, or by remorse from the horror of our own injustice.'

Adam Smith
