Truth About Stories Thomas King:

The Truth About Stories Thomas King, 2003-11-01 Winner of the 2003 Trillium Book Award Stories are wondrous things award winning author and scholar Thomas King declares in his 2003 CBC Massey Lectures And they are dangerous Beginning with a traditional Native oral story King weaves his way through literature and history religion and politics popular culture and social protest gracefully elucidating North America's relationship with its Native peoples Native culture has deep ties to storytelling and yet no other North American culture has been the subject of more erroneous stories The Indian of fact as King says bears little resemblance to the literary Indian the dying Indian the construct so powerfully and often destructively projected by White North America With keen perception and wit King illustrates that stories are the key to and only hope for human understanding He compels us to listen well The Truth about Stories Thomas King, 2005 Explores how stories shape who we are how we understand and interact with other people and how Native American culture ties into storytelling from creation stories to personal experiences historical anecdotes to social injustices racist propaganda to works of contemporary Native American literature *Thomas King* Eva Gruber, 2012 Thomas King is one of North America's foremost Native writers best known for his novels including *Green Grass Running Water* for the Dreadful Water mysteries and for collections of short stories such as *One Good Story That One* and *A Short History of Indians in Canada* But King is also a poet a literary and cultural critic and a noted filmmaker photographer and scriptwriter and performer for radio His career and oeuvre have been validated by literary awards and by the inclusion of his writing in college and university curricula Critical responses to King's work have been abundant yet most of this criticism consists of journal articles and to date only one book length study of his work exists *Thomas King Works and Impact* fills this gap by providing an up to date comprehensive overview of all major aspects of King's oeuvre as well as its reception and influence It brings together expert scholars to discuss King's role in and impact on Native literature and its processes of canonization and to offer in depth analyses of his multifaceted body of work The volume will be of interest to students and scholars of literature English and Native American studies and to King aficionados *The Nature of Inquisitorial Processes in Administrative Regimes* Laverne Jacobs, Sasha Baglay, 2016-03-03 Inquisitorial processes refers to the inquiry powers of administrative governance and this book examines the use of these powers in administrative law across seven jurisdictions The book brings together recent developments in mixed inquisitorial adversarial administrative decision making on a hitherto neglected area of comparative administrative process and institutional design Reaching important conclusions about their own jurisdictions and raising questions which may be explored in others the book's chapters are comparative They explore the terminology and scope of the concept of inquisitorial process justifications for the use of inquiry powers the effectiveness of inquisitorial processes and the implications of the adoption of such powers The book will set in motion continued dialogue about the inherent challenges of balancing policy goals fairness resources and institutional design within administrative law decision

making by offering theoretical practical and empirical analyses This will be a valuable book to government policy makers administrative law decision makers lawyers and academics

Stories Through Theories/theories Through Stories Gordon Henry,2009 Stories Through Theories Theories Through Stories explores the uneasy relations often contentious sometimes complicit between American Indian Literature and literary theory This collection of essays sometimes playfully but always insistently changes our readings of Native works and challenges our roles as intellectual guides until we step deeper into the ambiguous territories where writer listener reader and critic intersect Taken together these essays provide compelling evidence for looking at primary Native cultures authors and histories as enrichments of Native literature

Can Creative Writing Really Be Taught? Stephanie Vanderslice,Rebecca Manery,2017-07-13 Revised and updated throughout this 10th anniversary edition of Can Creative Writing Really Be Taught is a significantly expanded guide to key issues and practices in creative writing teaching today Challenging the myths of creative writing teaching experienced and up and coming teachers explore what works in the classroom and workshop and what does not Now brought up to date with new issues that have emerged with the explosion of creative writing courses in higher education the new edition includes Guides to and case studies of workshop practice Discussions on grading and the myth of the easy A Explorations of the relationship between reading and writing A new chapter on creative writing research A new chapter on games fan fiction and genre writing New chapters on identity and activism

African Storytelling for Global Citizenship Education George J.S. Dei,Dionisio Nyaga,Juliana Kami,2025-04-09 This thought provoking book outlines the pedagogical value of African storytelling It demonstrates that African wisdom has historically been part of violent colonial elimination leading to the ontological expendability of these stories and them being excluded forgotten and devalued in academic circles

Telling Stories Jacqueline Bardolph,André Viola,Jean-Pierre Durix,2001 The present volume is a highly comprehensive assessment of the postcolonial short story since the thirty six contributions cover most geographical areas concerned Another important feature is that it deals not only with exclusive practitioners of the genre Mansfield Munro but also with well known novelists Achebe Armah Atwood Carey Rushdie so that stimulating comparisons are suggested between shorter and longer works by the same authors In addition the volume is of interest for the study of aspects of orality dialect dance rhythms circularity and trickster figure for instance and of the more or less conflictual relationships between the individual character or implied author and the community Furthermore the marginalized status of women emerges as another major theme both as regards the past for white women settlers or the present for urbanized characters primarily in Africa and India The reader will also have the rare pleasure of discovering Janice Kulik Keefer s Fox her version of what she calls in her commentary displaced autobiography or creative non fiction Lastly an extensive bibliography on the postcolonial
