Discourse Joseph Foley, 2004-06-29 This collection of essays by leading functional linguists presents the latest perspectives on language and discourse in educational settings Language Education and Discourse is divided into two sections Part one covers early childhood and the growing development of a language system from the basic semiotic system of the infant This is followed by an analysis of the beginnings of literacy in kindergarten the introduction to writing in primary school and the ideological content of reading material Part two furthers this analysis by looking at discourse in secondary and tertiary education The contributors pose questions about the role and importance of teaching grammar in the school system and finally examine how to refine the discourse of education This book will be useful to academics interested in the latest functional perspectives on language and education Constructing Interpersonality Rosa Lorés Sanz, Pilar Mur-Dueñas, Enrique Lafuente-Millán, 2010 The view that academic discourse is by definition impersonal has long been superseded It seems unquestionable now that the interpersonal component of texts that is the ways in which the writers project themselves and their audience in the discourse is an essential factor determining the success of scholarly communication and has become a fundamental issue in the field of English for Academic Purposes EAP Interpersonality is the key issue around which the articles in this edited book focus on The eighteen contributions included in this volume provide a wide exploratory view of the many academic genres in which interpersonal is manifested and the various analytical approaches from which the textual manifestation of that interpersonal can be studied The varied origin of the contributors is also representative of the global interest that the issue of interpersonal arouses in the field of academic discourse analysis at an international level The present volume constitutes a highly valuable tool for applied linguists and discourse analysts with an interest in EAP as well as for students instructors and language teachers interested in academic discourse The book may also be of interest to other agents intervening in the research publication process such as translators proofreaders reviewers and editors **English in a Globalised Environment** Zuraidah Mohd Don, 2006 **Language and Verbal Art Revisited** Donna R. Miller, Monica Turci, 2007-04 This volume meant for both specialists and non specialists will appeal to both the growing number of scholars working in and students needing to investigate the field of literary linguistics or stylistics Pragmatics , 1991 **A Systemic Functional Grammar of Japanese** Kazuhiro Teruya, 2007-08-29 A comprehensive study of the Japanese language that includes an overview of the major systems of Japanese grammar **Meeting Handbook** Linguistic Society of America, 2005 *A Systemic Functional Approximation to the Use of Cleft Sentences and Reversed Pseudo-cleft Sentences in English in a Narrative Sample Written by the South African Writer Alan Paton* María D. Martínez Lirola, 2007 *Reading Visual Narratives* Clare Painter, J.R. Martin, Len Unsworth, 2013 Offers new descriptions of the visual strand of meaning in picture book narratives as a way of furthering the project of multimodal Discourse analysis and of explaining the literacy demands and apprenticing techniques of children s earliest literature **Australian Review of Applied Linguistics** , 2000 Work in Progress , 2002
