[Mayo Clinic Guide to Better Vision \(3rd Edition\)](#) Sophie J. Bakri, 2022-02-16 Having good eyesight is essential for almost every activity we do but an estimated 93 million adults in the United States are at high risk for serious vision loss. Mayo Clinic Guide to Better Vision is a comprehensive guide to understanding common vision problems preventing age related eye disorders and keeping your eyes healthy at every stage of life. As we age our eyes become more susceptible to common conditions like age related macular degeneration glaucoma diabetic retinopathy and cataracts. Even younger adults can suffer from painful eye conditions like dry eyes infected tear ducts styes floaters pink eye and eye strain. More than 170 million Americans wear eyeglasses or contact lenses to correct vision problems and those number is likely to increase. Fortunately many of these conditions are preventable treatable and even reversible. In Mayo Clinic Guide to Better Vision Dr Sophie Bakri M D walks readers through the diagnoses and treatment options associated with these common eye issues as well as preventive measures for protecting your eyes from eye diseases retinal disorders and permanent vision loss. She also shares the best techniques for correcting common vision problems and provides tools for those currently living with low vision. Presented through clear conversational explanations paired with detailed illustrations photographs and tables this book is a practical resource for making the most of your vision by keeping your eyes healthy and your eyesight sharp at any age
