Memphis Ginger Scott, 2018-02-23 My mom always said it was just something about the way he moved The same swagger Archie Valentine wore in the ring when he took his opponents down followed him like a halo everywhere he went But make no mistake about it he was no angel He was like a drug My mother was his addict I never understood it how love could make you blind and convince you to drink the poison Not until I met Memphis Delaney At first it was the familiar form He's a fighter built like a god from the past the kind of man the universe doesn't make anymore His eyes hide a story and every time I'm in his presence I want to keep reading him until I get to the end And then there's the way he moves His boxing is violent but beautiful and his body is a seductive weapon When he's in the ring he wears the stare of a man committed to the battle until his very last breath He could end me turn me into her Too much of him will leave me as a shadow and I've lost so much of myself already But I have discipline It came the hard way Lessons learned scars left behind and trust stripped away from life I will breathe his air but I won't fall for a man like him The only boxer who's ever going to break my heart is the one who gave me my name

Piece of Cake (Kingston High Book One) Sundae Leighton, 2021-02-16 There were five boys that made up the Knights of Kingston High These same boys rule the halls of which I'm just a commoner trying to move along unnoticed I didn't ask to be part of their group nor do I want to be When one of the boys insists I have no choice because you simply don't say no when it comes to the Knights Easton Kennedy The town's golden boy and the Knights' chosen boss of the group loathes the idea of being anywhere near me His angry glare His icy facade The fact that he seemed to despise the idea of being anywhere near me The dark prince made himself perfectly clear that he wanted nothing to do with me Easton comes to my rescue one night only to torment me the following day He's the devil in disguise with the things he says In the way he makes me feel when he whispers dirty words into my ear I want him only to hate him at the same time When I finally learn the truth about this town and the boy behind the green eyes it might already be too late For both of us

Disclaimer This Entangled Teen Crush book contains references to drinking addiction and just the right amount of angst You'll want to save this tortured hero while at the same time not want to change a single thing about him Five years That's how long I've been gone Since I left my best friend the girl I loved behind Five seconds That's how long it takes to realize I am completely utterly screwed Because now that I'm back my childhood crush has turned into so much more Rylee has changed We both have And now I'm drawn to her in a completely different way To her smile Her touch To reliving old memories and making new ones To the happiness she's always given me that I haven't felt since I left But her friends are hell bent on keeping us apart My dad is one drink away from destroying both of our lives and maybe I am too It's only a matter of time before I have to leave again and there's nothing I can do to stop it I never get a choice The one choice I can make Stay away from Rylee Because if I don't I'll break her heart and mine all over again

Hold My Breath Ginger Scott, 2016-11-18
Fractions of seconds can do lots of damage One decision can ruin lives A blink can be tragic And loving a Hollister can hurt like hell I would know They say the average person can hold their breath under water for two full minutes when pushed to the extremes Will Hollister has been holding his for years The oldest of two elite swimming brothers Will was always a dominant force in the water But in life he preferred to let his younger brother Evan be the one to shine Evan got the girl and Will he got to bury all of the secrets A brother's burden the weight of it all nearly left him to drown The daughter of two Olympians my path was set the day my fingertips first touched water My future was as crystal clear as the lane I dominated in the pool swim hard win big love a Hollister My life with Evan burned bright He gave me arms to come home to and a smile that fooled the world into believing everything was perfect But it was Will who pushed me Will who really knew me And when all of the pieces fell it was Will who started to pick them up In the end the only thing that matters are those few precious seconds and what we decide to do while we still have them in our grasp
