It's about making life simpler but it all starts with small changes. Living in a frugal way won't all happen at once but the sooner you start making positive changes the better it'll be for both you and your family. Here is a preview of what you'll learn: Getting started with living frugally, How to shop frugally, How to create frugal meals, Clothing your kids and yourself on a frugal budget, Family fun for the frugal family, Saving money on your utility bills, Frugal tips for travelers, How to keep living frugally, Get out of debts forever, Retire wealthy, And much more. Minimalist budgeting can be easy and even fun if you have a good plan to follow. Also the good news is you do not have to cut down your shopping but this book will show you how to get more with less money spent. This book contains proven steps and strategies on how to change your personal financial present and future through this amazing budgeting plan.

Mortgages and Annuities Yuri K. Shestopaloff, 2010 This book presents a coherent and comprehensive coverage of mathematical foundations for mortgages and annuities as well as related computational algorithms for software applications and financial calculators. It also considers the specifics of implementing these algorithms in industrial financial systems. Starting from scratch the reader together with the author builds a solid efficient and complete knowledge base. Concise and carefully arranged material presents equally well all necessary theoretical underpinnings of the subject and its practical aspects. Lots of numerical examples, exercises and problems contribute to producing a high quality text. Undergraduate and graduate students in a variety of disciplines from financial mathematics to investments to computer science as well as teachers, professors and industry specialists will find this book an invaluable educational and practical resource. **Science of Inexact Mathematics** Yuri K.
