[Brilliant Activities for Reading Comprehension, Year 2](#) Charlotte Makhoul, 2012-10 The importance of being able to read for meaning should never be underestimated The ability to decode text is not enough It is vital that children understand what they are reading More importantly it is fundamental that they enjoy what they are reading so that they grow up to become lifelong readers The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that They

provide children with a variety of engaging enjoyable texts that will grab their attention and indeed their teacher s attention as well The types of comprehension passages range from newspaper articles and dialogues to plays stories and poems They gradually increase in difficulty as you progress though the book and through the series encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text Tasks range from simple factual recall and vocabulary work to more open ended questions enabling the reader to provide a more personal response The cross curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast finishers *Reading*

Comprehension Activities Grade 3-4 Jennifer Cripe,2011-06-21 Reading comprehension comes as a result of learning reading skills and strategies The activities in this series can be used to supplement any core reading program They are flexible enough to provide opportunities for differentiated instruction *Reading with Meaning* Debbie Miller,2013 In the second

edition of *Reading with Meaning* Debbie Miller shares her new thinking about comprehension strategy instruction the gradual release of responsibility instructional model and planning for student engagement and independence Starting with Comprehension Andie Cunningham,Ruth Shagoury,2005 It is never too early to start comprehension instruction In fact reading begins with meaning making Andie Cunningham and Ruth Shagoury designed a reading program for five and six year olds based on this premise Most of the students in Andie s Portland Oregon kindergarten class have little or no alphabet knowledge when they enter the classroom in the fall English is a second or third language for many of the children in this low income neighborhood Through research based principles carefully structured routines and innovative activities even the youngest learners can develop comprehension skills from their first days in school The children in *Starting with Comprehension* are grappling with school culture for the first time and learning to work with classmates who speak a variety of different languages These emergent readers learn to present their understanding of what they read through writing talk movement and art Kindergartners and preschoolers are different from readers who know how to decode texts Andie and Ruth show how comprehension skills can be nurtured and strengthened even before decoding begins In this classroom meaning making becomes part of community building as children link reading thinking and communicating **Teaching**
